AMERICAN WATCH COMPANY

GOLD AND SILVER WATCHES.

OFFICE JOHN A. STODDART, NO. 411 CHESTNUT STREET, PHILADELPHIA, PENN'A.

Attention is invited to the following statement and the accompanying testimonials in favor of these

CELEBRATED AMERICAN WATCHES.

A Gold Medal was awarded the Company by the Massachusetts Mechanical Association, 1856. A Gold Medal was also awarded them by the American Institute at New York, in 1857. The Company also received the First Premium—a Gold Medal—from the Franklin Institute, Philadelphia, in 1858.

These Watches have now been in the market for nearly ten years, during which time they have been tested as to

ACCURACY, DURABILITY AND RELIABILITY,

in every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict application of mechanical science to the construction of the watch from its very inception, rendering it, when finished

MATHEMATICALLY CORRECT,

in all proportions, and necessarily as perfect a time keeper as it is possible to make.

The Company have tested their Watches in many instances, by actual daily noting, and the result of this test has been that they have exhibited a rate equal in regularity to the best marine chronometer.

N. B.—We have just introduced a

NEW STYLE OF WATCH

elaborately finished, and thinner than any we have heretofore produced, with several improvements calculated to secure the greatest accuracy of performance, and to prevent the usual accidents and derangements to which foreign watches are liable.

Letter from Paul Morphy, the Celebrated Chess Player.

New York, Oct. 15, 1859.

Mr. R. E. Robbins, Treas. Am. Watch Co.:

Dear Sir:—The American Watch, No. 9240, presented me by the New York Chess Club, proved to be a most reliable and accurate time-keeper—almost unnecessarily so for ordinary purposes. It is now nearly five months since it came into my possession, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:

June 15, fast	4 seconds.	Aug. 15, fast	18 seconds.
July 1, -	6 do	Sept. 1, -	23 do
" 15, -	10 do	" 15, -	28 do
Aug. 1, -	16 do	Oct. 1, -	32 do

I give you permission to make such use of this statement as you may think proper.

I am, with respect, yours truly,

PAUL MORPHY.

The following is from Mr. Porter, the well known Marine Chronometer and Watch Maker.

Boston, Sept. 28, 1859.

R. E. Robbins, Treas. Am. Watch Co.

Dear Sir:—I have sold during the last year a considerable number of Watches of the Waltham manufacture, and am happy to say that all of them without exception, have fulfilled my guaranty, and have given satisfaction to the purchasers.

GEORGE E. PORTER.

The following named gentlemen may be referred to in relation to these Watches.

Hon. Hannibal Hamlin, Maine, John G. Saxe, Vermont, N. P. Willis, N. Y., Hon. N. P. Banks, Massachusetts, A. L. Hamilton, Tennessee, James W. Simonton, Cal. Carlos D. Stuart, Long Island, Townsend Harris, Japan, Horace Greeley, Frank Leslie, Norman Wiard, Wis, Dr. J. Marion Sims, Charles Hammond, Phil'a., Prof. Bartlett, West Point, Dr. Ammi Brown, Boston, Lieut. Henry A. Wise, U. S. N., Col. W. J. Harden, U. S. A., S. Ireneus Prime, D. D. White Plains, Col. T. B. Thorpe.

CAUTION

As our Watch is now extensively counterfeited by foreign manufacturers, we have to inform the public that no Watch is of our production which is unaccompanied by a certificate of genuineness, bearing the number of the Watch, and signed by our Treasurer, R. E. Robbins, or by our predecessors, Appleton, Tracy & Co.

These Watches are for sale by Jewelers generally, and can be had on application to the undersigned.

A NEW DEMOCRATIC MORNING PAPER.

"THE UNION."

With a view to meet a universally admitted want, the undersigned will issue on Monday, the 1st of July next, a Morning Penny Paper, to be called "THE UNION."

The great mission of the Democratic Party, which has ever stood as the bulwark of the Union and the Champion of the Constitution, renders its entire unity and bold attitude in this hour of National peril a matter of vital concern. The pending struggle is not less for the maintenance of a United Country than for the Perpetuation of Democratic Principles, as expounded by Jefferson and Jackson. The most momento sresults hang upon the issue. Mere party questions are for the time by common consent adjourned. The past is dead, save in its lessons of experience.

The Democratic hosts have not shrunk from their full share in the responsibilities and dangers of the emergency. They have rallied with one accord around the standard of our common country. But the occasion imposes other duties. The Government will demand and receive the willing support of every patriot, in its efforts to vindicate the National honor and re-assert the National authority; but the Preservation of Constitutional Liberty rests more with the people than with Congresses and Cabinets. Vigilance and Unity are therefore specially requisite in the present juncture.

It is the purpose of the Proprietors to make "THE UNION," in every respect a first-class Journal.—The Democracy of the whole State feel the need of a bold and vigorous Metropolitan daily; and no effort will be spared to render THE UNION both popular and efficient as a newspaper, and as a fearless exponent of the great principles for which the Democratic party have ever contended, and which are now so unhappily imperilled.

The Proprietors have perfected such arrangements as will place the enterprise, from the beginning, upon a substantial business basis, with abundant means to make a Newspaper second in interest and ability to no other in the city: and while the paper will be fearlessly Democratic, it will sedulously avoid all faction, as the deadliest bane to party efficiency.

We look to the Democratic Masses for support, and shall labor to make THE UNION in every way worthy their confidence and liberal patronage, as a fresh, readable and fearless Journal.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

Oakland, Ind., 8th June, 1860.

J. C. Ayer & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful to a gallon, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 19th Sept., 1860, that he has cured an invetate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; says he curse the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many lamentable cases of Leucorrhœa by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for those female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous ulcer broke out on one of the females in my family, which had defied all the remedies we could employ, till at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but amputation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks the symptoms of the disease vanished."

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1859.

Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy, consequently, I also truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

Independence, Preston Co., Va., 4th July, 1859.

Dr. J. C. Ayer: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the *Liver*. My beloved pastor, the Rev. Mr. Repp, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It assimilates the vital functions into vigorous action, and thus overcomes maladies which would be supposed beyond the reach. Such a remedy has long been required by the afflicted of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in Advanced Stages of the Disease

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidences of its virtues. The smallest experience of coughs and colds and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the sight of the most dangerous disorders of the throat and lungs. As all know the dreadful fatality of these complaints, and as they know, too, the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
