## FLIGHT OF THE TROOPS.

LAMENSE LOSS OF LIFE.

[OFFICIAL DESPATCH.]

Washington, July 22d .- Our troops, after taking three batteries and gaining a great victory, were eventually repulsed, and commen-

ced a retreat on Washington. The retreat is in good order, with the rear

well covered by a good column.
Our loss is from 2500 to 3000. The fortifications around Washington are

The carnage has been tremendously heavy on both sides, and or ours is represented as trightful.

We were advancing and taking the masked batteries gradually but surely, driving the enemy toward Manassas Junction, when the en-emy seemed to be reinforced by Gen. Johnston and immediately commenced driving us back when a panic among our troops suddenly occurred and a complete stampede took place. It is thought that Gen. McDowell undertook to make a stand at or about Centerville, but the panic was so fearful that the whole army became demoralized, and it was impossible to check them either at Centerville or Fairfax Court House.

Gen. McDowell intended to retreat beyond Fairfax Court House. The retreat was kept the valuation which has been valued and appraised in pursuance of a writ of Partition or valuation issued out of our said Court, and to the Sheriff of said such out of our said Court, and to the Sheriff of said ments, a portion of whom returned to them, but a still larger portion coming insidethe entrench-

A large number of the troops, in their retreat fell on the wayside from exhaustion, and scattered along the entire route, shi the way from Fairfax Court House.

The road from Bull Run to Centreville was strewed with knap-sacks, arms, etc.

Some of the troops deliberately threw away their guns and appurtenances, the better to lacilitate their travel.

Gen. McDowell was in the rear at the retreat, exerting himself to rally his men, but with only partial effect. The latter part of the army, it is said, made their retreat in good order. He mansion property of said Rebecca and Peter Sharer was completely exhausted, having slept but little for three nights. His orders on the field did not at all times reach those for whom they were intended.

It is supposed that the force sent against our troops consisted, according to a prisoner's statement, of about 30,000 men, including a large

Gen. McDowell was thus foiled in his wellarranged prens.

Some regimental wagoes were overturned by accident or the wheels came off, and therefore had to be abandoned.

Large droves of cattle were saved by being driven back in advance of the retreat.

PIMPLES AND SKIN DISEASES - Are the results of impure blood. The blood becomes thick and clogged. The skin is not able to cast off the impurities so important to health. How many young men and woman we see with their faces covered with pimples and blotches, use of soaps and washes of various kinds. This is very dangerous and should never be practised by persons desirous of health. Mothers who have children afflicted with sores and eruptions, should never dry them up by external applications, for in this way they will drive n the humors and produce ill health for the child during its whole life time. There is no mother that likes to see her children afflicted with feeble health.

JUDSON'S MOUNTAIN HERB PILLS are prepared expressly for the cure of eruptions of the skin, such as Pimples, Blotches, Sores, &c. They cleanse the blood of all impurities, producing a beautiful, clear and healthy skin, so much admired by taste and erly refinement.
