

The Blood is Life. No more shall the poor sufferers in our country languish, their constitutions racked and torn by strong and dangerous mineral medicines; they will come to the fountain of health, found in simple herbs and roots from nature's storehouse. **THE MOUNTAIN HERB PILLS**, of innocent mountain plants composed, will reach and stop their distress, and cause the blood, renewed and cleared, to carry through the body the elements of health; building up the broken constitution, and carrying life and health, where but for them would have been the wreck of hope—the feeble man of suffering at last ended by the cold hand of death. Do not let prejudice overcome your better reason; do not look upon these Pills as only like others, do not let your despair, after trying everything else, prevent you from trying these. The blood must be pure, and then sickness is impossible. What a great and yet simple truth is this! it appeals to the common sense of all; it is the great key-stone of the healing art. **JUDSON'S MOUNTAIN HERB PILLS** will purify and cleanse it as sure as the sun will rise to-morrow. **JUDSON'S MOUNTAIN HERB PILLS** are sold by all Medicine Dealers.

FINKLE & LYON SEWING-MACHINE CO.,
538 BROADWAY, NEW-YORK.

No person who contemplates purchasing a Sewing Machine for family or manufacturing purposes should fail to send for our Circular, which contains cuts and full descriptions of the several styles, prices and samples of work, all of which we send by mail free. We claim to have the

BEST SEWING MACHINES IN THE WORLD
For either Family or Manufacturing Purposes. And all we ask is a fair trial. Read the following:

IMPORTANT FACTS.
FACT No. 1.—This Company being duly licensed, their Machines are protected against infringing imitations.
FACT No. 2.—These Machines make the lock-stitch—like on both sides—and use a little less than half as much thread and silk as the chain or loop-stitch machines.
FACT No. 3.—These Machines are better adapted than any other sewing machines in market to the frequent changes and almost endless variety of sewing required in a family. They will sew "iron to" twenty thicknesses of Muslin without stopping, and make every stitch perfect. They will even sew from the finest gauze to the heaviest cloth, and even stout, hard leather, without changing the feed, needle, or tension, or making any adjustment of machine whatever.—Is not such a machine best adapted to family use? and is best adapted to family use, why not for every variety of light sewing manufacture? For work too heavy for our Family Machine, we recommend our larger sizes.
FACT No. 4.—These Machines make the most elastic seam of any sewing machine in use—a fact of very great importance in sewing elastic goods, or goods of any kind, or a big or small cap.
FACT No. 5.—No Machine is more durable or more simple in its construction, or more easily understood. The reputation of these Machines wherever used will fully demonstrate each of the above facts.
FACT No. 6.—These Machines took the Highest Premium at the Franklin Institute, Philadelphia.
FACT No. 7.—These Machines took the Highest Premium at the New Jersey State Fair.
FACT No. 8.—These Machines took the Highest Medal at the American Institute in the City of New York, together with the Highest Premium for fine Sewing-Machine Work.
FACT No. 9.—These Machines took both the Highest Premiums at the Mechanics' Fair, Utica.
FACT No. 10.—These Machines can do the same thing generally, whenever properly exhibited in competition with other first-class Sewing Machines. But we leave space for only one more—It is the most important fact of all—
FACT No. 11.—We warrant every Machine we sell to give better satisfaction than any other Sewing Machine in market, or money refunded.
Send for a Circular. AGENTS WANTED.

The lungs become congested with the poisonous matter; the cough—and all from a slight impurity at the fountain-head of life—the blood. As if you had thrown some earth, for instance, in a pure stream of crystal clear water, in a few minutes the whole course of the stream becomes dirty and discolored. As quickly does impure blood fly to every part, and have its sting behind. All the passages become obstructed, and unless the obstruction is removed, the long life soon dies out. These pills not only purify the blood, but represent all the secretions of the body; they are, therefore, surmised as
