PATENT INSULATED FULL IRON FRAME
NEW SCALE, GRAND, AND SQUARE
PIANO FORTES.

THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable nequality of tone invariably found in all other from Frame Piano Fortes. It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone. It adapts the Piano to al climates, and to all changes of atmosphere, and in all respects it is pronounced by our best "artistes' he greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this coun-
