LIGHT & BRADBURY'S PATENT INSULATED FULL IRON FRAME NEW SCALE, GRAND, AND SQUARE PIANO FORTES.

THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable inequality of tone invariably found in all other Iron Frame Piano Fortes.

It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone.

It adapts the Piano to all climates, and to all changes of atmosphere, and in all respects it is pronounced by our best 'artists' to be the greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

A few testimonials from some of the most eminent Pianists and Musicians in the world, in regard to the Superiority of our New Scale Patent Insulated Piano Fortes.

"I have examined the Piano Fortes of Light & Bradbury's with entire satisfaction. I know not that there are any others better, either in our own country or elsewhere."

"In clearness, richness, and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon their equal."

"I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Light & Bradbury's Piano Fortes."

"I have never played upon so fine an instrument."

"I consider them as to beauty, richness, fullness, and equality of tone, as well as their agreeable, elastic touch, equal, if not superior, to any Pianos made in this country or Europe."

"They have all the requirements for a superior interpretation of both classical and modern compositions."

"It affords me pleasure to add my testimony of the many artists who speak in the highest terms of the superior excellence of your New Scale Patent Insulated Iron Frame Piano Fortes, and I must say that your New Scale very far surpasses all your former efforts, producing an instrument far superior in all its excellencies."

"I am with pleasure I give my testimony to the excellence of your Pianos in general, and especially to the admirable new invention of Mr. Light & Bradbury's piano, which I have seen, I think, no improvement which I regard as the most important yet made in the manufacture of first-class instruments."

"I take pleasure in stating my favorable opinion of your New Scale Iron Frame Piano Fortes. Among many superior Pianos manufactured in New York, they certainly must rank second to none of them for strength, purity, and richness of tone, together with extraordinary vibratory qualities."

"I have also had frequent opportunities, in the schools, during the past four years, to notice the durability of your instruments, and this under severe and unremitting trials."

"The high reputation which they have obtained for their fine brilliant tone, pleasant touch and power, have given them the preference over those of all other manufacturers, in the Public Schools of New York, in which over one hundred are now in daily use, some twelve or fifteen of which are in departments where I have had the pleasure of teaching, and where I have used them for the last five years."

"Being pleased with your steady progress in improving the quality of your Pianos, I cannot refrain from saying to you, after some fourteen years' knowledge of them, that the New Scale with Iron Frame, which I have seen, I think, no Piano I ever saw. I say this after having purchased over two hundred of your Piano Fortes."

"All our Pianos are warranted, without limit as to time."

Send for a circular, which contains complete price list and descriptions, and hundreds of references to persons in every section of the country, who have purchased our Pianos.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order? Do your system derange, and your feelings uncomfortable? These symptoms are the result of a deranged system, and should be remedied by a timely use of the right remedy.

A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, excite themselves and the surrounding organs, producing general aggravation, suffering, and disease.

While in this condition, oppressed by the derangement of the system, and with it the insupportable feeling of a health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous disorders.

From a Breviating Merchant of St. Louis, Mo., 1846. Dr. Ayer's Pills are the paragon of all that is great in medicine. They have cured me of a long and distressing illness upon her head that had proved incurable for years.

As a Family Physic. Your Pills are the prince of purges. Their excellent quality surpasses any cathartic I have ever used, mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore. Dear Sir, I cannot answer you what complaints I have cured with your Pills better than I can say of my own treatment with a purgative medicine.

Dr. J. C. Ayer, Sr. I have seen many cases of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which your Pills cure.

Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, New York City. Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the liver very manifest.

Diarrhoea, Dysentery, Relax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them to be one of the best specifics I have ever found.

Dyspepsia, Impurity of the Blood. From Rev. J. V. Home, Pastor of Adams Church, Boston. Dr. Ayer's Pills have had a long trial in my practice, and I hold them to be one of the best specifics I have ever found.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, &c. From Dr. J. F. Fougere, Montreal, Canada. Too much cannot be said of your Pills for the cure of constipation.

From Mrs. E. S. Ward, Physician and Midwife, Boston. I find one or two large doses of your Pills at the proper time, are excellent prophylactics of the natural action when wholly or partially suppressed.

From the Rev. Dr. H. H. H. of the Methodist Epist. Church, Piquette House, Savannah, Ga., Jan. 6, 1856. Honored Sir: I should be ungrateful for the relief your pills have brought me if I did not report my case to you.

From Dr. J. F. Fougere, Montreal, Canada. I have used your pills in the treatment of your Pills, of a painful disease that has afflicted me for years.

AMERICAN WATCH COMPANY.

GOLD AND SILVER WATCHES. OFFICE JOHN A. STODDART, NO. 411 CHESTNUT STREET, PHILADELPHIA, PENNA.

Attention is invited to the following statement and the accompanying testimonials in favor of these CELEBRATED AMERICAN WATCHES.

A Gold Medal was awarded the Company by the Massachusetts Mechanical Association, 1856. A Gold Medal was also awarded them by the American Institute at New York, in 1857. The Company also received the First Premium - a Gold Medal - from the Franklin Institute, Philadelphia, in 1858.

These Watches have now been in the market for nearly ten years, during which time they have been tested as to ACCURACY, DURABILITY AND RELIABILITY, in every conceivable manner, and have proved themselves to be the most satisfactory time pieces ever offered to the public.

This result has been brought about by a strict application of mechanical science to the construction of the watch from its very inception, rendering it, when finished MATHEMATICALLY CORRECT, in all proportions, and necessarily as perfect a time keeper as it is possible to make.

The Company have tested their Watches, in many instances, by actual daily noting, and the result of this test has been that they have exhibited a rate equal in regularity to the best marine chronometer.

N. B. - We have just introduced a NEW STYLE OF WATCH elaborately finished, and thinner than any we have heretofore produced, with several improvements calculated to secure the greatest accuracy of performance, and to prevent the usual accidents and derangements to which foreign watches are liable.

Letter from Paul Morphy, the Celebrated Chess Player. NEW YORK, Oct. 15, 1859. Mr. R. E. Robbins, Treas. Am. Watch Co.:

Dear Sir - The American Watch, No. 9240, presented me by the New York Chess Club, proved to be a most reliable and accurate time-keeper - almost unnecessarily so for ordinary purposes. It is now nearly five months since it came into my possession, and during that period its variation from standard time has been but a trifle more than half a minute. The following is a record of its performance. It was set June 3d correctly:

June 15, fast 4 seconds. Aug. 15, fast 18 seconds. July 1, - 6 do Sept. 1, - 23 do - 15, - 20 do Oct. 15, - 28 do Aug. 1, - 10 do Oct. 1, - 32 do

Give you permission to make such use of this statement as you may think proper. I am, with respect, yours truly, PAUL MORPHY. The following is from Mr. Porter, the well known Marine Chronometer and Watch Maker. Boston, Sept. 28, 1859.

R. E. Robbins, Treas. Am. Watch Co. Dear Sir - I have sold during the last year a considerable number of Watches of the Waltham manufacture, and am happy to say that all of them without exception, have fulfilled my guaranty, and have given satisfaction to the purchasers.

The following named gentlemen may be referred to in relation to the Watches. Hon. Hannibal Hamlin, Maine, John G. Saxe, Vermont, N. P. Willis, N. Y., Hon. N. P. Banks, Massachusetts, A. L. Hamilton, Tennessee, James W. Simonton, Cal. Carlos D. Stuart, Long Island, Townsend Harris, Japan, Horace Greeley, Frank Leslie, Norman Ward, Wis. Dr. J. Marion Sims, Charles Hammond, Phila., Prof. Bartlett, West Point, Dr. Ammi Brown, Boston, Lieut. Henry A. Wise, U. S. N., Col. W. J. Harden, U. S. A., S. Ireneus Prime, D. D. White Plains, Col. T. B. Thorpe.

CAUTION. As our Watch is now extensively counterfeited by foreign manufacturers, we have to inform the public that no Watch is of our production which is unaccompanied by a certificate of genuineness, bearing the number of the Watch, and signed by our Treasurer, R. E. Robbins, or by our predecessors, Appleton, Tracy & Co.

These Watches are for sale by Jewelers generally, and can be had on application to the undersigned. JOHN A. STODDART, Number 411 Chestnut Street, above 4th St., PHILADELPHIA, PA. March 15, 1861-60.
