ST. NICHOLAS HOTEL, BROADWAY, NEW YORK. BOARD REDUCED TO \$2 PER DAY.

Since the opening of this vast and commodious Hotel, in 1851, it has been the single endeavor of the proprietors to make it the most sumptuous, convenient and comfortable home for the citizen and stranger on this side the Atlantic. To meet the exigencies of the times, when all are required to practice the most rigid economy, the undersigned,

HAVE REDUCED THE PRICE OF BOARD TO TWO DOLLARS PER DAY, at the same time abating none of the luxuries which their table has hitherto been supplied. TREADWELL, WHITCOMB & CO. Sept. 13th, '61. 3m.

NOTICE.

Having debts of our own to pay, we respectfully call upon all persons, knowing themselves to be in our debt, to pay up.

This notice is given for those of our friends who pay us promptly; but especially for a certain large class, who, having purchased our goods, never trouble themselves about paying for the same.—Many of the latter having had the use of our capital so long so long, must really imagine they have a right to it. To this class we now say, in language which we hope they will not misunderstand, we want at least a portion of our moneys in their hands to meet our own liabilities, and if kind invitations to PAY UP, avail not, we will try a harsher, though very unpleasant remedy, ere long.

No person who contemplates purchasing a Sewing Machine for family or manufacturing purposes should fail to send for one of our Circulars, which contains cuts and full descriptions of the several styles, prices and samples of work, all of which we send by mail free. We claim to have the

BEST SEWING MACHINES IN THE WORLD

For either Family or Manufacturing Purpose. And all we ask is a fair trial. Read the following: IMPORTANT FACTS.

FACT No. 1.—This Company being duly licensed, their Machines are protected against imitations or litigation.

FACT No. 2.—These Machines make the lock-stitch— alike on both sides—and use a little less than half as much thread and silk as the chain or loop-stitch machines.

FACT No. 3.—These Machines are better adapted than any other sewing-machines in market to the frequent changes and almost endless variety of sewing required in a family. They will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect. They will even sew from the finest gauze to the heaviest cloth, and even stout, hard leather, without changing the feed, needle, or tension; or making any adjustment of machine whatever. Is not such a machine best adapted to family use? and if best adapted to family use, why not for every variety of light sewing manufacture? For work too heavy for our Family Machine, we recommend our larger sizes.

FACT No. 4.—These Machines make the most elastic seam of any sewing-machine in use—a fact of very great importance in sewing elastic goods, or goods of any kind, or a bias.

FACT No. 5.—No Machine is more durable or more simple in its construction, or more easily understood. The reputation of these Machines wherever used will fully demonstrate each of the above facts.

FACT No. 6.—These Machines took the Highest Premium at the Franklin Institute, Philadelphia.

FACT No. 7.—These Machines took the Highest Premium at the New Jersey State Fair.

FACT No. 8.—These Machines took the Highest Medal at the American Institute, in the City of New York, together with the Highest Premium for fine Sewing-Machine Work.

FACT No. 9.—These Machines took both the Highest Premiums at the Mechanics' Fair, Utica.

FACT No. 10.—These Machines can do the same thing generally, whenever properly exhibited in competition with other first-class Sewing Machines. But we have space for only one fact more— it is the most important fact of all.

FACT No. 11.—If we warrant every Machine we sell to give better satisfaction than any other Sewing-Machine in market, or money refunded.
