NOTICE IS HEREBY GIVEN,

That every person excepting Justices of the peace, who shall hold any office or appointment of profit or trust under the United States, or of this State, or any city or corporate district, whether a commissioned officer or otherwise, a subordinate officer, agent who is or shall be employed under the legislative, executive or judicial department of this State or of any city, or of any incorporated district, and also, that no inspector, judge or other officer of such election shall be eligible to be elected or appointed to any such office or appointment.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 24, 1859, further provides, as follows, to wit: "That the inspector and judges shall meet at the respective places appointed for holding the election in the district in which they respectively belong, before 8 o'clock in the morning of the 3d Tuesday of October, and each said inspector shall appoint a clerk, who shall be a qualified voter of such district."

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected judge shall appoint an inspector in his place, and in case the person elected judge shall not attend, then the inspector who received the highest number of votes shall appoint a judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters for the township, ward or district in which such officers shall have been elected, present at the election, shall elect one of their number to fill such a vacancy."

It shall be the duty of the several assessors respectively to attend at the place of holding every general, special, or township election during the whole time such election is kept open, for the purpose of giving information to the inspectors, and judges, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said inspectors or either of them shall from time to time require.

No person shall be permitted to vote at any election as aforesaid, than a white freeman of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or county tax which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes, aforesaid, shall be entitled to vote at any election held in this State six months. Provided, That the white freemen, citizens of the United States, between the ages of twenty-one and twenty-two years, who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not

have paid tax. No person shall be permitted to vote whose name is not contained in the list of taxable inhabitants, furnished by the Commissioners, unless: First, he produce a receipt of payment, within two years of State or County tax assessed agreeably to the Constitution, and give satisfactory evidence on his oath or affirmation, that he has resided in the State at least one year next before his application, and make such proof of residence in the district as is required by this act, and that he does verily believe, from the account given him that he is of the age aforesaid, and give such other evidence as is required by this act, whereupon the name of the person so admitted to vote shall be inserted in the alphabetical list by the inspector, and a note made opposite thereto by writing the words "if he shall be admitted to vote by reason of having paid tax, or the word 'age' if he shall be admitted to vote by reason of age, and in either case the reason of such a vote shall be called out to the clerks, who shall make a like note in the lists of voters kept by them."

"In all cases where the name of the person claiming to vote is not found on the list furnished by the commissioners, or his right to vote whether found thereon or not, is objected to by any qualified citizen, it shall be the duty of the inspectors to examine such person on oath as to his qualifications, and if he claims to have resided within the State for one year or more, his oath shall be sufficient proof thereof, but he shall make proof by at least one competent witness, who shall be a qualified elector, that he has resided within the district for more than ten days immediately preceding said election, and shall also swear that his bona fide residence, in pursuance of his lawful calling, is within the district, and that he did not remove within the district for the purpose of voting therein."

"Every person qualified as aforesaid, and who shall make due oath as required, of his residence, and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside. "If any person shall prevent or attempt to prevent any officer of an election under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block or attempt to block up the window or avenue in any window where the same may be held, or shall riotously disturb the peace of such election, or shall use or threaten intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such person on conviction shall be fined in any sum not exceeding one hundred dollars, and be imprisoned for any time not less than one or more than twelve months and if it shall be shown to the Court where the trial of such offence shall be had, that the person so offending was not a resident of the township, ward, district or township where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine of not less than one hundred nor more than one thousand dollars, and be imprisoned not less than six months nor more than two years."

"If any person or persons shall use any bet or wager upon the result of an election within the Commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, or receive the same, he shall be fined and pay three times the amount so bet or offered to be bet."

And the Judges of the respective districts aforesaid, are required to meet at Bedford, on the Friday next following the holding of said election, then and there to perform those things required of them by law.

Given under my hand, at my office in Bedford, this 30th day of August, in the year of our Lord, one thousand eight hundred and sixty-one, and the sixth day of the Independence of the United States.

LIGHT & BRADBURY'S PATENT INSULATED FULL IRON FRAME NEW SCALE, GRAND, AND SQUARE PIANO FORTES.
THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against all most disagreeable inequality of tone invariably found in all other Iron Frame Piano Fortes. It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone. It adapts the Piano to all climates, and to all changes of atmosphere, and in all respects it is pronounced by our best 'artists' to be the greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

A few testimonials from some of the most eminent Pianists and Musicians in the world, in regard to the Superiority of our New Scale Patent Insulated Piano Fortes.

- "I have examined the Piano Fortes of Light & Bradbury's with entire satisfaction. I know not that there are any others better, either in our own country or elsewhere."
"DR. LOWELL MASON."
- "In clearness, richness, and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon any equal."
"R. A. WOLLENHAUPT."
- "In volume, richness, evenness and purity of tone, and in delicacy of touch, they certainly excel, and in that beautiful singing quality so desirable, yet so seldom found."
WILLIAM MASON."
- "I have never played upon so rich and heavy a tone Square Piano Forte."
"ARTHUR NAPOLEON."
- "I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Light & Bradbury's Piano Fortes."
"GEO. F. ROOT."
- "I have never played upon so fine an instrument."
"GEO. F. BRISTOW."
- "I consider them as to beauty, richness, fullness, and equality of tone, as well as their agreeable, elastic touch, equal, if not superior, to any Pianos made in this country or Europe."
KARL WELS."
- "They have all the requirements for a superior interpretation of both classical and modern compositions."
"MAURICE STRAKOSH."
- "It affords me pleasure to add my testimony of the superior excellence of your New Scale Patent Insulated Iron Frame Piano Fortes, and I must say that your New Scale very far surpasses all your former efforts, producing an instrument far superior in all the excellencies that constitute a perfect Piano Forte, to any with which I am acquainted."
THEO. PHELPS."
- "Having examined your New Scale Iron Frame Pianos, we must express our delight and pleasure at their superior excellence. For their peculiar rich volume of tone, fine elastic touch, and in all the requisites necessary for perfection in the instrument, we must say, in all our experience, we have seen nothing to compare with them, and we can most cordially recommend them to our friends and the public."
"CHAS. FRADEL,"
"CARL BERGMAN."
- "I take much pleasure in giving my testimony in favor of the beautiful Pianos which I have recently seen made by your firm. In power, quantity, and equality of tone, they certainly excel, while for that peculiar rich, singing tone, that is so invaluable as an accompaniment to the voice, sustaining and blending with it, I have rarely met with their equal."
"C. BASSINI."
- "It is with pleasure I give my testimony to the excellence of your Pianos in general, and especially to the admirable new invention of Mr. Light & Bradbury, which I regard as the most important yet made in the manufacture of first-class instruments."
"LOUIS ERNST."
- "I take pleasure in stating my favorable opinion of your New Scale Iron Frame Piano Fortes. Among many superior Piano Fortes manufactured in New York, they certainly rank second to none of them for strength, purity, and richness of tone, together with extraordinary vibratory quality. I have also had frequent opportunities, in the schools, during the past four years, to notice the durability of your instruments, and this under severe and unremitted trials."
"GEO. H. CURTIS."
- "The high reputation which they have obtained for their fine brilliant tone, pleasant touch and power, have given them the preference over those of all other manufacturers, in the Public Schools of New York, in which over one hundred are now in daily use; some twelve or fifteen of which are in departments where I have had the pleasure of teaching, and where I have used them for the last five years."
"MARCUS COLBURN."
- "Being pleased with your steady progress in improving the quality of your Pianos, I cannot refrain from saying to you, after some fourteen years' knowledge of them, that the New Scale with Iron Frame, which I have seen, I think the best Piano I ever saw. I say this after having purchased over two hundred of your Piano Fortes."
"F. H. NASH."

Our Square Pianos range in price from \$250 to \$600. Our Grand Pianos " " " " \$800 upwards. All our Pianos are WARRANTED, without limit as to time.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

And the speedy cure of the following varieties of Diseases:
Serofulous and Serofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Itchiness, Hives, Scalds, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1860.
J. C. AYER & Co. Gently know that your Sarsaparilla has done for me what I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it broke out in eruptions on my face. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and saw several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Great Westerner that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that it would cure me. I bought a bottle of your Sarsaparilla and put it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used about three bottles. Now an itching skin soon began to form under the scalp, which after a while fell out. My skin is now clear, and I know by my feelings that the disease has gone from my system. I can well believe that I feel what I am saying when I tell you that I hold your Sarsaparilla to be one of the most useful and reliable remedies of the age.

ALFRED B. TALLEY.

He writes: "I have cured the case of Erysipelas by your Sarsaparilla, and also a dangerous case of Dropsy, cured by your Sarsaparilla. The cure was effected by your Sarsaparilla, and I must say that your Sarsaparilla is the best I have ever used."

Bronchitis, Cough or Swelled Neck.
Zebulon Sloan of Prospect, Texas, writes: "A three-fold case of your Sarsaparilla cured me of a Cough—a throat inflammation on the side, which I had suffered from for over two years."
Leucorrhoea or Whites, Ovarian Tumor, Etc., Etc., Etc.
Dr. J. B. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent to send you a testimonial of the efficacy of your Sarsaparilla in the cure of a case of Leucorrhoea, which I had suffered from for several years. I had used many other remedies, but without success. I was cured by your Sarsaparilla, and I must say that your Sarsaparilla is the best I have ever used."
