PIANO FORTES. REDUCTION REDUCED. The Best Piano Fortes, at the greatest reduction, ever made in price for cash. IMPROVE THE PRESENT OPPORTUNITY TO PURCHASE, AND BUY THE BEST, FOR THE CASH AMOUNT OF MONEY. You never again will get so large a discount for your cash.

LIGHT & BRADBURY'S PATENT INSULATED FULL IRON FRAME NEW SCALE, GRAND AND SQUARE PIANO FORTES. THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable inequality of tone invariably found in all other Iron Frame Piano Fortes. It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone. It adapts the Piano to all climates, and to all changes of atmosphere, and in all respects it is pronounced by our best artists to be the greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

"I have examined the Piano Fortes of Light & Bradbury's with entire satisfaction. I know not that there are any other better, either in our own country or elsewhere." "DR. LOWELL MASON." "In clearness, richness, and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon any equal." "H. A. WOLLENHAUPT." "In volume, richness, evenness and purity of tone, and in delicacy of touch, they certainly excel, and in that beautiful singing quality so desirable, yet so seldom found." WILLIAM MASON. "I have never played upon so rich and heavy a tone Square Piano Forte." "ARTHUR NAPOLEON." "I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Light & Bradbury's Piano Fortes." "GEO. F. ROOT." "I consider them as to beauty, richness, fullness, and volume of tone, fine elastic touch, and in all the requisites necessary for perfection in the instrument, we must say, in all our experience, we have seen nothing to compare with them, and we can most cordially recommend them to our friends and the public." "MAURICE STRAKOSH." "It affords me pleasure to add my testimony of the many artists who speak in the highest terms of the superior excellence of your New Scale Patent Insulated Iron Frame Piano Fortes, and I must say that your New Scale very far surpasses all your former efforts, producing an instrument far superior in all the excellencies that constitute a perfect Piano Forte, to any with which I am acquainted." "THEO. EISELDF." "Having examined your New Scale Iron Frame Pianos, we must express our delight and pleasure at their superior excellence. For their peculiar rich volume of tone, fine elastic touch, and in all the requisites necessary for perfection in the instrument, we must say, in all our experience, we have seen nothing to compare with them, and we can most cordially recommend them to our friends and the public." "CHAS. FRADEL." "CARL BERGMAN." "The much pleasure in giving my testimony in favor of the best Piano Fortes which I have recently seen made by your firm. In power, quantity, and equality of tone, they certainly excel; while for that peculiarly rich, singing tone, that is so invaluable as an accompaniment to the voice, sustaining and blending with it, I have rarely met with their equal." "C. BASSINI." "It is with pleasure I give my testimony to the excellence of your Pianos in general, and especially to the admirable new invention of Mr. Light & Bradbury, in improvement which regard as the most important yet made in the manufacture of first-class instruments." "LOUIS ERNST." "I take pleasure in stating my favorable opinion of your New Scale Iron Frame Piano Fortes. Among many superior Piano Fortes manufactured in New York, they certainly must rank second to none of them for strength, purity, and richness of tone, together with extraordinary vibratory qualities. I have also had frequent opportunities, in the schools, during the past four years, to witness the durability of your instruments, and this under severe and unremitted trials." "GEO. H. CURTIS."

"The high reputation which they have obtained for their fine brilliant tone, pleasant touch and power, have given them the preference over those of all other manufacturers in the Public Schools of New York, in which over one hundred are now in daily use, some twelve or fifteen of which are in departments where I have had the pleasure of teaching, and where I have used them for the last five years." "MARCUS COLBURN." "Being pleased with your steady progress in improving the quality of your Pianos, I cannot refrain from saying to you, after some fourteen years' knowledge of them, that the New Scale with Iron Frame, which I have seen, I think the best Piano I ever saw. I say this after having purchased over two hundred of your Piano Fortes." "F. H. NASH."

Our Square Pianos range in price from \$250 to \$600. Our Grand Pianos " " " " \$800 upwards. All our Pianos are WARRANTED, without limit as to time. Send for a circular, which contains complete price list and descriptions, and hundreds of references to persons in every section of the country, who have purchased our Pianos. ST. NICHOLAS HOTEL, BROADWAY, NEW YORK. BOARD REDUCED TO \$2 PER DAY. Since the opening of this vast and commodious Hotel, in 1854, it has been the single advantage of the proprietors to make it the most spacious, convenient and comfortable home for the citizen and stranger on this side the Atlantic. And whatever has seemed likely to administer to the comfort of its guests they have endeavored, without regard to cost, to provide, and to combine all the elements of individual and social enjoyment which modern art has invented, and modern taste approved; and the patronage which it has commanded during the past six years is a gratifying proof that their efforts have been appreciated. To meet the exigencies of the times, when all are required to practice the most rigid economy, we have REDUCED THE PRICE OF BOARD TO TWO DOLLARS PER DAY, at the same time abating none of the luxuries which their table has hitherto been supplied. TREADWELL, WHITCOMB & CO. Sept. 13th, '61. 3m.
