Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjeined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Erufitions, Pinples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. Ayen & Co. Gents: I feel it my daily to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loatinsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had propared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnait and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the aposites of the age, and remain ever gratefully.

Leucorrheea or Whites, Ovarian Tamor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a nost excellent alterative in the numerous complaints for which we employ such a remely, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the uterat. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala, writes, "A dangerous overfan tumor on one of the females in my faseily, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Earsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

New Orleans, 25th August, 1859.

Dr. J. C. Ater. Sir. I cheerfully comply with the request of your agent, and report to you come of the effects I have caused with it, in my practice, most of the complaints for which it is recommended, and have fund its effects truly wonderful in the cure of Veneral and Mercurial Disease. One of my patients had Syphilitic uicers in his throat, which were consuming his palate and the pop of his mouth. Your Sarssparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would scon reach his brain and slil him. But it yielded to my administration of your Sarssparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your sarsayarilia in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

falled to relieve me; and I have been a broken-down man
for some years from no other cause than derangement of
the Liver. My beloved pastor, the Rev. Mr. Espy, advised
me to try your Sarsaparilla, because he said he knew you,
and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood

"I take pleasure in stating my favorable op ion of your New Scale Iron Frame Piano Fortes. Among many superior Piano Fortes manufactured in New York, they certainly must rank second to none of them for strength, purity, and richness of tone, together with extraordinary vibratory qualities. I have also had frequent-opportunities, in the schools, during the past four years, to notice the darability of your instruments, and this under severe and unremitted trials. vere and unremitted trials "GEO. H. GURTIS."

"The high reputation which they have obtained for their fine brilliant tone, pleasant touch and power, have given them the preference over those of all other manufactures, in the Public Schoo's of New York, in which over one hundred are now in daily use; some twelve or fifteen of which are in departments where I have used them for the last five years.
