ROCK .- On the 4th of October, in Schells-

Within four weeks two lambs of the flock have been taken, by the Son of Man, from the pasture of grace to that of glory.

Whilst it is hard to flesh and blood for parents to part with their little ones, yet, what a comfort and a blessing to know that they have two little angels walking, hand in hand, the ctreets of the New Jerusalem! What an inducement for parents to love the Savior in truth and in deed, that they may have a good and sure hope of meeting them in glory! May it be so with the parents of these little ones. ON THE DEATH OF ANNIES. ROCK.

[Affectionately inscribed to her bereaved parents.] All, ail looks dark and dreary now: The sky of life is clouded; Beneath affliction's rod ye bow,

Your hearts in gloom are shrouded. Grim Death another dart has burled, And claimed another flower, And bore it to the spirit world

To bloom in Heaven's bower. Sweet Annie's voice no more we hear, The hearth-stone's lone and dreary;

No more the smile, to you so dear, Will cheer the heart so weary. But Annie is an angel bright,

And dwells with God in Heaven; And for her brow, so pure and white, A pearly crown is given.

And with the light angelic throng, Her gentle voice she raises; With golden harp, to sing a song Of everlasting praises.

Her dying words were sweet to hear : " Papa! I'm going to Heaven, To mee: my sister Sallie, dear,' And thus her soul was given.

Then mourn not for the darling one, Now safe with God in Heaven; But strive to meet her in that home Where ties are never riven.

JUDSO.Y'S Mountain Herb Pills.

Above, we present you with a perfect likeness of Teruco, a chief of a tribe of the strange Artec Nation, that once ruled Mexico. You will find a full account of him and his people in our Pamphlets and Almanace—tribe had gratis, from the Agents for these Pills. The Inventor and Manufacturer of "Judson's Mountain Herb Pills," has spent the greater part of his life furtaveling, having visited nearly every country in the world. He spent over six years among the Indians of the Rocky Mountains and of Mexico, and it was thus that the "Mountain Herb Pills," were discovered. A very interestin account of his adventures there, you will find in our Almanac and Pamphlet.

It is an established fact, that all diseases arise from

IMPURE BLOOD!

IMPURE BLOOD!

The clood is the life! and when any foreign or unhealthy matter gets mixed with it, it is at once distributed to every organ of the body. Every nerve feels the poison, and all the vital organs quickly complain. The stomach will not digest the food perfectly. The liver ceases to secrete a sufficiency of bile. The action of the heart is weakened, and so the circulation is feeble. The lungs become clogged with the poisonous matter; hence, a cough—and all from a slight impurity at the fountainhead of life—the Blood! As if you had thrown some earth, for instance, in a pure spring, from which ran a tiny rivulet, in a few minutes the whole course of the stream becomes disturbed and discolored. These pills not only purify the blood, but regenerate all the secretions of the body, they are, therefare, unrivalled as a CURLE FOR BILIOUS DISEASES.
