Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. GENTS: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it broke out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with a fearful sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Chrisfield and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful after a meal, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold your Sarsaparilla in the estimation of the age, and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the perseverance use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; nay he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zabulon Sloan of Prescott, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he, seeing this my knowledge of your Sarsaparilla as the last resort before cutting, it proved effected. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 29th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and resort to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Tertiary and Mercurial Disease. One of my patients had syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the alteration had called up a most formidable train of symptoms, that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from its poison in her bones. They had become so sensible to the weather that on a change day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it leave not surprised me.

I remain, very truly yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

John Y. Gebhell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for years. I was from no other cause than an *engorgement of the liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and knew from what it was made, it must be a valuable remedy. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space hereto will not admit them. Some of these may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these complaints have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes obstructions which cause suffering and disease. From a remedy has long been considered by the physicians of the people, and a general confidence is felt by all who know its virtues that it will do for them all that medicine can do.

LIGHTE & BRADBURYS' PATENT INSULATED FULL IRON FRAME NEW SCALE, GRAND, AND SQUARE PIANO FORTES.

THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable nequality of tone invariably found in all other Iron Frame Piano Fortes. It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone. It adapts the Piano to all climates, and to all changes of atmosphere, and in all respects it is pronounced by our best "artistes" the greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

A few testimonials, from some of the most eminent Pianists and Musician in the world, in regard to the Superiority of our New Scale Patent Insulated Piano Fortes.

"I have examined the Piano Fottes of Lighte & Bradbury's with entire satisfaction. I know not that there are any others better, either in our own country or elsewhere."

"DR. LOWELL MASON."

"In clearness, richness, and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon their equal.

"H. A. WOLLENHAUPT."

"In volume, richness, evenness and purity of tone, and in delicacy of touch, they certainly excel, and in that beautiful singing quality so desirable, yet so seldom found.

WILLIAM MASON."

"I have never played upon so rich and heavy a tone Square Piano Forte.

"ARTHUR NAPOLEON."

"I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Lighte & Bradbury's Piano Fortes.

"GEO. F. ROOT."

"I have never played upon so fine an instrument.

"GEO. F. BRISTOW."

"I consider them as to beauty, richness, fullness, and equality of tone, as well as their agreeable, elastic touch, equal, if not superior, to any Pianos made in this country or Europe

KARL WELS."

"They have all the requirements for a superior interpretation of both classical and modern compositions.

"MAURICE STRAKOSH."

"It affords me pleasure to add my testimony of the many artistes who speak in the highest terms to the superior excellence of your New Scale Patent Insulated Iron Frame Piano Fortes, and I must say that your New Scale very far surpasses all your former efforts, producing an instrument far superior in all the excellencies that constitute a perfect Piano Forte, to any with which I am acquainted.

"THEO. EISFELD."

"Having examined your New Scale Iron Frame Pianos, we must express our delight and pleasure at their superior excellence. For their peculiar rich volume of tone, fine elastic touch, and in all the requisites necessary for perfection in the instrument, we must say, in all our experience, we have seen nothing to compare with them, and we can most cordially recommend them to our friends and the public

"CHAS. FRADEL."
"CARL BERGMAN."

"I take much pleasure in giving my testimony in favor of the beautiful Pianos which I have recently seen made by your firm. In power, quantity, and equality of tone, they certainly excel; while for that peculiarly rich, singing tone, that is so invaluable as an accompaniment to the voice, sustaining and blending with it, I have rarely met with their equal.

"C. BASSINI."

"It is with pleasure I give my testimony to the excellence of your Pianos in general, and especially to the admirable new invention of Mr. Lighte, my improvement which I regard as the most important yet made in the manufacture of first-class instruments.

"LOUIS ERNST."

"I take pleasure in stating my favorable opinion of your New Scale Iron Frame Piano Fortes. Among many superior Piano Fortes manufactured in New York, they certainly must rank second to none of them for strength, purity, and richness of tone, together with extraordinary vibratory qualities. I have also had frequent opportunities, in the schools, during the past four years, to notice the durability of your instruments, and this under severe and unremitted trials.

"GEO. H. CURTIS."

"The high reputation which they have obtained for their fine brilliant tone, pleasant touch and power, have given them the preference over those of all other manufactures, in the Public Schools of New York, in which over one hundred are now in daily use, some twelve or fifteen of which are in departments where I have had the pleasure of teaching, and where I have used them for the last five years.

"MARCUS COLBURN."

"Being pleased with your steady progress in improving the quality of your Pianos, I cannot refrain from saying to you, after some fourteen years knowledge of them, that the New Scale with Iron Frame, which I have seen, I think the best Piano I ever saw. I say this after having purchased over two hundred of your Piano Fortes.

"F. H. NASH."

ST. NICHOLAS HOTEL,

BROADWAY, NEW YORK.

BOARD REDUCED TO $2 PER DAY.

Since the opening of this vast and commodious Hotel, in 1854, it has been the single endeavor of the proprietors to make it the most sumptuous, convenient and comfortable home for the citizen and stranger on this side the Atlantic.

And whatever has seemed likely to administer to the comfort of its guests they have endeavored, without regard to cost, to provide, and to combine all the elements of individual and social enjoyment which modern art has invented, and modern taste approved; and the patronage which it has commanded during the past six years is a gratifying proof that their efforts have been appreciated.

To meet the exigencies of the times, when all are required to practice the most rigid economy, the undersigned,

HAVE REDUCED THE PRICE OF BOARD TO TWO DOLLARS PER DAY,

at the same time abating none of the luxuries with which their table has hitherto been supplied.
