Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD. And for the speedy cure of the following varieties of Diseases: Scrofulous and Scrophulous Affections, such as Tumors, Ulcers, Sores, Erysipelas, Pimples, Pruritus, Itch, Scald Head, Itch, and other Skin Diseases.

Dr. J. C. Ayer & Co. Gentl: I feel it my duty to acknowledge the efficacy of Ayer's Sarsaparilla for the cure of Scrophulous Affections, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers, and at other times it manifested itself in the form of a Scrophulous Eruption, which covered my face and neck with a thick crust, and rendered my eyes almost blind.

It is a most valuable medicine, and I feel it my duty to acknowledge the efficacy of Ayer's Sarsaparilla for the cure of Scrophulous Affections, I have suffered from it in various ways for years.

LIGHT & BRADBURY'S PATENT INSULATED FULL IRON FRAME. NEW SCALE, GRAND, AND SQUARE PIANO FORTES.

THE INSULATED FRAME preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable inequality of tone invariably found in all other Iron Frame Piano Fortes.

It greatly strengthens the case, and thus keeps the Piano Forte much longer in tune. It gives the instrument a much fuller, richer, and sweeter tone. It adapts the Piano to all climates, and to all changes of atmosphere, and in all respects it is pronounced by our best 'artists' to be the greatest improvement of the age in Piano Forte construction; producing an instrument acknowledged to be superior to all others made in this country or Europe.

A few testimonials from some of the most eminent Pianists and Musicians in the world, in regard to the Superiority of our New Scale Patent Insulated Piano Fortes.

"I have examined the Piano Fortes of Light & Bradbury's with entire satisfaction. I know not that there are any others better, either in our own country or elsewhere."

"In clearness, richness, and volume of tone, delicate elasticity of touch, and fine repeating action, I have never played upon their equal."

"In volume, richness, evenness and purity of tone, and in delicacy of touch, they certainly excel, and in that beautiful singing quality so desirable, yet so seldom found."

"I have never played upon so rich and heavy a tone Square Piano Forte."

"I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Light & Bradbury's Piano Fortes."

"I have never played upon so fine an instrument."

"I consider them as to beauty, richness, fullness, and equality of tone, as well as their agreeable, elastic touch, equal, if not superior, to any Pianos made in this country or Europe."

"They have all the requirements for a superior interpretation of both classical and modern compositions."

"It affords me pleasure to add my testimony of the many artists who speak in the highest terms to the superior excellence of your New Scale Patent Insulated Iron Frame Piano Fortes, and I must say that your New Scale very far surpasses all your former efforts, producing an instrument far superior in all the excellencies that constitute a perfect Piano Forte, to any with which I am acquainted."

"Having examined your New Scale Iron Frame Piano, we must express our delight and pleasure in their superior excellence. For their peculiar rich volume of tone, the elastic touch, and in all the requisites necessary for perfection in the instrument, we must say, in all our experience, we have seen nothing to compare with them, and we can most cordially recommend them to our friends and the public."

"It is the much pleasure in giving my testimony in favor of the beautiful Pianos which I have recently seen made by your firm. In purity, quantity, and equality of tone, they certainly excel I believe for that peculiar rich, singing tone, that is so invaluable as an accompaniment to the voices sustaining and blending with it, I have rarely met, with their equal."

"It is with pleasure I give my testimony to the excellence of your Pianos in general, and especially to the admirable new invention of Mr. Light & Bradbury's, during the past year, to notice the durability of your instruments, and this under severe and unremitted trial."

"The high reputation which they have obtained for their fine brilliant tone, pleasant touch and power, have given them the preference over those of all other manufacturers, in the Public Schools of New York, in which over one hundred are now in daily use, some twelve or fifteen of which are in departments where I have had the pleasure of teaching, and where I have used them for the last five years."

"Being pleased with your steady progress in improving the quality of your Pianos, I cannot refrain from saying to you, after some fourteen years knowledge of them, that the New Scale with Iron Frame, which I have seen, I think the best Piano I ever saw. I say this after having purchased over two hundred of your Piano Fortes."

Our Square Pianos range in price from \$250 to \$600. Our Grand Pianos " " " " \$800 upwards. All our Pianos are WARRANTED, without limit as to time.

Send for a circular, which contains complete price list and descriptions, and hundreds of references to persons in every section of the country, who have purchased our Pianos.
