

States steamer Michigan should not be disband, as has been usual, and the vessel will remain in the harbor of Erie during the winter. Should the National Government unexpectedly fail in its duty providing adequate defenses at our assailable points, East and West, I earnestly recommend that the Legislature take prompt means for that purpose. We should be admonished, by recent indications from abroad, to be prepared for our own defence, as well as for the suppression of domestic insurrection.

In selecting a site for a National Armory, if the public good be alone considered, Pennsylvania will be preferred, as she affords the combined advantages of a central position, abundance of material and skilled mechanics, and a people of undoubted loyalty.

I commend to the attention of the Legislature the report of the Superintendent of the Public Schools, the flourishing state of which and the rapid progress of education are subjects of just congratulation.

The reports of the Lunatic Hospital at Harrisburg and of Western Pennsylvania, of the House of Refuge at Philadelphia and Pittsburgh, of the institutions for the Deaf and Dumb and for the Blind and the northern home for Friendless Children at Philadelphia, and of the Pennsylvania Training School for Idiots and Feeble Minded Children at Media, show that these meritorious charities are well administered, and I recommend that the countenance and aid of the Commonwealth be continued to them.

Under the joint resolutions of 16th May last, commissioners have been appointed to revise the revenue laws, whose names will be forthwith submitted for the advice and consent of the Senate. It is hoped that the commissioners will be able to report during the present session of the Legislature. Considering the great labor imposed on them, and the vast importance of the present time of an able and efficient performance of the duties of the commissioners, I suggest that the compensation provided for by the joint resolutions should be increased to an adequate amount.

It was evident, long since, that it would be impossible for the banks to continue to redeem their obligations in coin, in the face of the large issues of paper, the necessity for which was imposed on them and the government by the exigencies of the times. No surprise, therefore, was felt at the suspension of specie payments by the banks, which took place on Monday, the 30th of December last. Under the circumstances, I recommend that they be relieved from all penalties for this breach of the law.

Pennsylvania has made great efforts to support the Government. She has given more and better clothed, and better equipped men than any other State, and has far exceeded her quota of the military levies. The sons of our best citizens, young men of education and means fill the ranks of her volunteer regiments. Their gallant conduct, whenever an opportunity has been afforded to them, has done honor to the Commonwealth. The universal movement among our people, signifies that they are loyal to the Government established by their fathers, and determined to quell the present insurrection and preserve the Union, and that they will not tolerate any plan for either the dissolution or reconstruction of it.

FRIDAY..... JAN. 17, 1862.

B. F. Meyers, Editor & Proprietor.

To Our Patrons.

Friends, we must have money to pay our debts. You who owe us four, six and eight dollars and upwards, are especially called upon to come up to our help. Come forward and settle, and if you cannot pay your entire bill, pay what you can. Administrators and Executors who are in our debt for estate printing, and candidates who owe us for ticket printing, will please take notice.

Hon. John Cessna.

It is generally known that Mr. Cessna, of this place, who was the Democratic candidate for Assembly, in this county, at the last election, is contesting the seat of Mr. Householder, who was Mr. Cessna's opponent in the canvass and whose name was placed on the roll, upon the assembling of the Legislature, as the representative from Bedford county. We had not intended to say a word about this matter, knowing that each house of the Legislature has the right to judge of the qualifications of its members and fearing lest the influence of a country newspaper upon that just and dignified body, the General Assembly, might have an undue and improper force; but our neighbor up street, the echo of the Tribune, has taken up the cudgels against Mr. Cessna, and we, therefore, feel it our duty to unseal our silence and speak from the fullness of our heart. Gentlemen of the House! We believe that Mr. Cessna is entitled to the seat occupied by Mr. Householder; and to it, fairly, honestly, constitutionally. A large majority of the legal voters of Bedford county, a thousand, in round numbers, cast their suffrages for Mr. Cessna. They voted for him to represent Bedford county in the Assembly, and as Bedford county was formed into an Assembly district by the Constitution, entitling her to one member to be chosen, of course, by her own people, they elected him and not Mr. Householder. True, Mr. Jordan, who is now sacrificing his time and risking his life as one of Uncle Sam's Paymasters, ditched old Bedford to her daughter Somerset, so that the last boys

of the latter, who think that Anti-Slavery is God and Horace Greely is his prophet, might dictate to the old staid rother who should speak for her in the halls of legislation, but the people of patient and long-suffering Bedford have at last learned to know their rights, and knowing, will dare maintain them. They have learned to know that the link that unites them with Somerset, is a mere legislative cob-web to be cut asunder at the first touch of Constitutional law, and that only by their own abject subservience have they permitted themselves to be disfranchised and at the bidding of Somerset county, to be made hewers of wood and drawers of water for a miserable, office-hunting, spoils-seeking minority. Mr. Cessna has thrown down the glove in the legislative arena in challenge of the oppressors of Bedford county to stand forth and show why the franchise of which she has been robbed should not be restored to her. Every true Bedford county man, Democrat, or Republican, will hope for his success. Every lover of the supremacy of the fundamental law, will pray for his triumph.

As to the opposition made to Mr. Cessna, by the Bedford Iniquities, it is only another instance of the desertion and repudiation of favorites and friends for which that detestable sheet is infamous. The editor voted for Mr. Cessna, and justifies his vote by saying that he thought a good Union Democrat, like Mr. Cessna, could do more good in the legislature than a "Republican." He not only voted for, but wrote letters favoring, Mr. Cessna, and after having been a member of the Convention which nominated Mr. Householder, and whilst Householder's name was at the head of his paper. After this deliberate and satanic treachery, one would hardly have expected him to become a double traitor by committing treason against his own treachery. But the gentleman discovered that he had drawn upon himself the displeasure of his party, and further, that Mr. Cessna would not turn "Republican," as he had secretly and fondly imagined, and hence he finds it necessary, as well as agreeable, to turn his batteries upon his late favorite, whom he so ardently desired to see in the occupancy of a seat in the legislature. Let him denounce Mr. Cessna, if it is necessary to do so to set himself right with his party. He may conciliate partizans and politicians, but the people, the majority, never!

Organization of the Legislature.
Hon. LOUIS W. HALL, of the Blair district, has been re-elected Speaker of the Senate. The House organized by the election of John Rowe, of Franklin county, Union Democrat, as Speaker, and E. H. RAUCH, the old incumbent, as Clerk. By the way, the House, instead of re-electing Rauch, should have kicked him out before the election of officers was in order. We consider him the meanest specimen of an unfair presiding officer that ever polluted the Speaker's gavel. He played the dictator to the House upon its assembling, by placing the names of some half dozen persons on the roll, who had no right to seats, some of them and even a profane abolitionist. Some Democrats from Luzerne county, who had the certificate of a majority of the return judges, were rejected by him, to make room for two "Republicans" who held the minority certificate. Every appeal from his decision he ruled out of order. It was by this kind of foul play and the rascality of the so-called "Union Democrats," that the organization of the House fell into the hands of the "Republicans."

Local and Miscellaneous.
According to the rain gauge, three feet two inches and fifty six hundredths of an inch of water fell in Bedford during the past year.
The mean temperature of the weather for the year 1861 was 52.10o Fahr. Observations being made three times a day according to the instructions of the Smithsonian Institute.
A REVIVAL has been going on in the M. E. Church during the past three weeks, with great success. Through its influence many have been turned from the error of their ways; and, quite a number have found peace at the foot of the Cross.
Good news. Simon Cameron, the "Abolition" Secretary of War has resigned. It is rumored Simon is going as Minister to Russia. No doubt he has made money enough to "travel," or perhaps the Van Wyckian Report has injured his health, and, like Cummings, he feels disposed to go to Europe to "recooperate his physical system," as Artemus Ward would say. Poor Simon!

Meeting of the Bedford and Stoystown Turnpike Road Company.
At a meeting of the President and managers of the Bedford and Stoystown Turnpike road company, held in Schellsburg, Jan. 6th, 1862, to take into consideration the resignation of the Hon. Peter Schell as—Treasurer and Secretary of said company.
On motion—Whereas the Honorable Peter Schell on account of old age, and feeble health has tendered his resignation of the office of Secretary and Treasurer of the Bedford and Stoystown Turnpike road company, the duties of which said office he has ably and faithfully discharged since the formation of the company, almost half a century, and upon a thorough and full examination of the books, vouchers, and accounts, we do find that they are all correct in every particular, and prove that he has been a prudent, honest, judicious, and faithful officer during all of said time.—
Therefore, Resolved—That for the reasons given by our worthy Secretary and Treasurer, we accept his resignation, and collectively and individually feel sorry in severing the official connection that has so long existed between us.
Resolved, That we collectively and individually tender our most sincere thanks to the Hon. Peter Schell our late worthy Secretary. May his declining years be peaceful to him, as his active public life was useful to his fellow man, and may it please the Giver of All Good, that we may still have his wise counsels while he remains in earth, with us. And in conclusion we say—"Well done good and faithful servant!"
Resolved, That the above Resolutions be entered on the Minute Book of the Company—and be published in the Bedford papers.
The managers then elected Abraham E. Schell, as Secretary and Treasurer of said Company.

A THING OF BEAUTY, IS A JOY FOREVER.—Who can be beautiful with a sickly pale complexion. Keep the pores of the skin free and the blood pure, and your cheeks will vie with the Rose and Lily. The Skin is formed with thousands of pores in every inch of surface whose office it is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind—when it is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin under these circumstances to perform its proper functions, and to carry off the impurities from the body designed by our Creator.

JUDSON'S MOUNTAIN HERB PILLS remove these obstructions, and produce free and healthy blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty. Beauty so much admired and loved. Beauty without paints and cosmetics—but beauty produced by health and happiness. Judson's Mountain Herb Pills are sold by all Medicine Dealers.

Ayer's Pills.
ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely, cured by the same means. None who know the virtues of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness or Constipation. As a Dinner Pill they are both agreeable and effectual.
PRICE 25 CTS. PER BOX, OR FIVE BOXES FOR \$1. Prepared by Dr. J. C. AYER, & Co., Lowell, Mass.

Ayer's Sarsaparilla.
Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proven by experiment on many of the worst cases that be found in the following complaints:—
Scrofula and Scrofulous Complaints, Eruptions and Eruptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia, Tonic Debrility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.
This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, thro' which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting thro' the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with the pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.
During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sar-

This interesting child, having opened her eyes on earth, has already in this early period, closed them in death, as if weary of life in its present state of conflict and woe. Yet, the thought is a most happy one, especially to the bereaved parents, that she still lives, breathing a more congenial atmosphere—a cherub bright in Heaven: For "Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven." Mat. 19c. 15v.
