WE the undersigned have used Roraback's Compound Chemical Soap for washing clothes and cheerfully recommend it to the families of Bedford, as an article of indispensable utility, cleansing the clothes with one third the labor and time usually occupied by use of the common soap.

J. B. FARQUHAR is agent for the sale of Family Rights for the Borough of Bedford, and any whe may wish to purchase a right he will furnish with enough of the soap to give it a fair trial, and will give them a Family Right gratis if he does not demonstrate the fact that the soap can be made at a cost of one cent per pound. Five pounds will put out a large washing and by putting the clothes to soak in the evening, they can be put out by 8 o'clock in the morning, thus saving three fourths of the day and a great deal of labor and sickness. Many families; give from 50 to 75cts. per week for washing, who by this method can save from \$20 to 30 per year.
