HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Army or Navy, should take especial care, that they be am-ply supplied with these Pills and Ointment; and where the brave Solders and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds affecting Troops,

Will be speedily relieved and effectually cured by using these admirable medicines, and by paying pro-per attention to the directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Incidental to Soldiers.

Those feelings which so sadden us, usually arise Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a heal'by action in both liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness or Debility Induced by over Fatigue.

Weakness or Debuty Induced by over Fungae. Will soon disappear by the use of these invalua-ble Pills, and the Soldiei will quickly acquire addi-tional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and mistake, for these rais will correct the fiver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vig-or to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured if the Pills are ta-ken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises.

To which every Soldier and Sailor are liable, there re no medicines so safe, sure and convenient as Hollcway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide him-self with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of line from his knapsack and covered with a piece of lineh from his knapsack and compressed with a bandkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable Remedies.

CAUTION.--None are genuine unless the words "Holloway, NEWYORK AND LONDON," are dis-cernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A Saddlery, Carriage and Trunk bandsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or ven-TO THE PEOPLE OF BEDFORD AND
