HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Army All who have Friends and leadings in the Almy or Navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave Soldners and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need. Coughs and Colds affecting Troops,

Will be speedily relieved and effectually cured by using these admirable medicines, and by paying pro-per attention to the directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Inciden-

tal to Soldiers. Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration or eating and drinking whatever is unwholesome. thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a heal by action in both liver and stomach, and as a natural consequence a clear head and good appetite. Weakness or Debility Induced by over Fatigue.

Weakarss or Debutty Induced by over Fatigue.

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vig-or to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

Volunteers Attention! Indiscretions of Youth Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured if the Pills are ta-ken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to it sure a lasting

BEST SEWING MACHINES IN THE WORLD For either Family or Manufacturing Purposes. And all we ask is a fair trial. Read the following

IMPORTANT FACTS. FACT No. I .- This Company being duly licensed, their Machines are protected against infringe ments or litigation.

FACT No. 2 .- These Machines make the lookstitch—alike on both sides—and use a littl less than half as much thread and silk as the chain or loop-stitch machines. FACT No. 3 .- These Machines are better adapted

than any other sewing machines in market to the frequent changes and almost endless variety of sewing required in a family. They will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect. They will even sew from the finest gauze to the heaviest cloth, and even stout, hard leather, without changing the feed, needle, or tension, or making any adjustment of reaching statements. making any adjustment of machine whatever.— Is not such a machine best adapted to family use? and if best adapted to family use, why hot for every variety of light sewing manufacture? For work too heavy for our Family Machine, we recommend our larger sizes.

FACT No. 4.- These Machines make the most elastic seam of any sewing-machine in use-a fact of very great importance in sewing elastic goods, or goods of any kind, or a bias.

FACT No. 5 .- No Machine is more durable or more 'simple in its construction, or more easily understood. The reputation of these Machines wherever used-will fully demonstrate each of the above facts.

FACT No. 6 - These Machines took the Highest Premium at the Franklin Institute, Philadel

FACT No. 7-These Machines took the Highest Medal at the American Institute, in the City of New York, together with the Highest Premium for fine Sewing-Machine Work.

FACT No. 9.-These Machines took both Highest Premiums at the Mechanics' Fair, Utica, FACT No. 10 .- These Machines can do the same thing generally, whenever properly exhibited in competition with other first-class Sewing Machines. But we have space for only one fact more-it is the most important Fact of all
