HOLLOWAY'S PILLS AND OINTMENT

All who have Friends and Relatives in the Army or Navy, should take especial care, that they beam-ply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds aff-cting Troops,
Will be speedily relieved and effectually cured by
using these admirable medicines, and by paying proper attention to the directions which are attached to
each Pot or Box.

each Pot or Box.

Sick Headache and Want of Appetite, Incidental to Soldiers.

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stowach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness or Debility Induced by over Fatigue. Weakness or Debility Induced by over Fatigue

Weakness or Debility Induced by over Faligue.

Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strasge that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a "matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine.

Volunteers Attention! Indiscretions of Youth

Volunteers Attention! Indiscretions of Youth Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises.

To which every Soldier and Sailor are liable, there are no medicines so safe, sure and convenient as Hollcway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 Pills, to cool the system and prevent inflammation.

flammation. Every Soldier's Knapsack and Seaman's Chest ould be provided with these valuable Remedies.

CAUTION.—None are genuine unless the words "Hollowar, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

IMPORTANTFACTS.

FACT No. I.—This Company being duly licensed; their Machines air protected against infringements or litigation.

FACT No. 2.—These Machines make the lock-stitch—alike on both sides—and use a little less than half as much thread and silk as the chein or loop-stitch machines.

or loop-stitch machines.

FACT No. 3.—These Machines are better adapted than any other sewing-machines in market to the frequent changes and almost endless variety of sewing required in a family. They will sew from one to twenty thicknesses of Marseilles without stopping, and make every stitch perfect. They will even sew from the finest gauze to the heaviest cloth, and even stout, hard leather, without changing the feed, needle, or tensior, or making any adjustment of machine whatever.—Is not such a machine best adapted to family usel and if best adapted to family use, why not for every variety of light sewing manufacture? For work too heavy for our Family, Machine, we recommend our larger sizes.

FACT No. 4.—These Machines make the most e-lastic seam of any sewing manufacture in use—a fact

lastic seam of any sewing-machine in use—af of very great importance in sewing elastic goo or goods of any kind, or a bias.

FACT No. 5.—No Machine is more durable or more faimple in its construction, or more easily understood. The reputation of these Machines wherever used will fully demonstrate each of the
