THE RESULT.
A FAVORABLE VERDICT.

JUNE 9, 1860.—The next of our convalescents is
the case of acute rheumatism before you at our clinic
of May 29th, which I then called a typical case, and
which was remarked as a fair opportunity
for testing the worth of our new remedy. It was
therefore steadily given in three grain doses every
two hours for four days. The patient has gone
very nicely, and is now able to walk about, as you
see. *I do not hesitate to say that I have never seen
as severe a case of acute rheumatism so soon restored
to health as this man has been, and without being
prepared to decide positively as to the value of the
remedy we have used. I feel bound to state that in the
cases in which we have tried the Elixir of Propylamine,
the patients have required less medicine, and have
been restored to health more rapidly than in any
other cases of acute rheumatism.* I wish,
gentlemen, you would yourselves try it, and report
the results.

For a full report of which the above is a condensed
extract, see the Philadelphia Medical and
Surgical Reporter. It is the report after a fair trial
by the best medical authority in this country, and
makes it unnecessary to give numerous certificates
from astonished doctors and rejoicing patients.

A SPEEDY CURE.
AN EFFECTUAL CURE.
THE SAME RESULT

IN EVERY CASE,
WHENEVER TRIED,
WHEREVER TRIED.

WHAT IT HAS DONE,
IT WILL DO AGAIN.

Bullcock and Crenshaw, the firm well known to most
medical men, by whom the Elixir Propylamine has
been introduced, have sold to us the exclusive right
to manufacture it according to the original recipe,
and we have made arrangements of such magnitude
as to enable us to scatter it broadcast amongst suf-
fering humanity.

A WORD TO DOCTORS.
If you prefer to use the same remedy in another
form, we invite your attention to the
PURE CRYSTALLIZED CHLORIDE PROPYLAMINE,
PURE PROPYLAMINE LIQUID,
PURE PROPYLAMINE CONCENTRATED,
of which we are the sole manufacturers.

We claim no other virtue for the Elixir Propylamine
than is contained in Pure Crystallized
Chloride of Propylamine.

THE ELIXIR IS
MORE CONVENIENT,
AND ALWAYS READY
FOR IMMEDIATE USE.

HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Army
or Navy, should take especial care, that they be am-
ply supplied with these Pills and Ointment; and
where the brave Soldiers and Seafarers have neglected
to provide themselves with them, no better present
can be sent them by their friends. They have been
proved to be the Soldier's never-failing friend in the
hour of need.

Coughs and Colds affecting Troops.
Will be speedily relieved and effectually cured by
using these admirable medicines, and by paying pro-
per attention to the directions which are attached to
each Pot or Box.

**Stick Headache and Want of Appetite, Inciden-
tal to Soldiers.**

Those feelings which so sadden us, usually arise
from trouble or annoyances, obstructed perspiration,
or eating and drinking whatever is unwholesome,
thus disturbing the healthful action of the liver and
stomach. These organs must be relieved, if you
desire to be well. The Pills, taking according to
the printed instructions, will quickly produce
healthy action in both liver and stomach, and ease
natural consequence a clear head and good appetite.

Weakness or Debility Induced by over Fatigue.
Will soon disappear by the use of these invalua-
ble Pills, and the Soldier will quickly acquire addi-
tional strength. Never let the Bowels be either
confined or unduly acted upon. It may seem strange
that Holloway's Pills should be recommended for
Dysentery and Flux, many persons supposing that
they would increase the relaxation. This is a great
mistake, for these Pills will correct the liver and
stomach and thus remove all the acrid humors from
the system. This medicine will give tone and vigor
to the whole organic system however deranged,
while health and strength follow as a matter of
course. Nothing will stop the relaxation of the
Bowels so sure as this famous medicine.

Volunteers Attention! Indiscretions of Youth
Sores and Ulcers, Blisters and Swellings, can
with certainty be radically cured if the Pills are
taken night and morning, and the Ointment be freely
used as stated in the printed instructions. If treat-
ed in any other manner they dry up in one part to
break in another. Whereas this Ointment will
remove the humors from the system and leave the
Patient a vigorous and healthy man. It will require
a little perseverance in bad cases to insure a lasting
cure.

**For Wounds either occasioned by the Bayonet,
Sabre or the Bullet, Sores or Bruises.**

To which every Soldier and Sailor are liable, there
are no medicines so safe, so pure and convenient as
Holloway's Pills and Ointment. The poor wounded
and ailing soldier might have his wounds
dressed immediately, if he would only provide him-
self with this matchless Ointment, which should be
thrust into the wound and smeared all round it, then
covered with a piece of lint from his knapsack and
compressed with a handkerchief. Taking night and
morning 6 or 8 Pills, to cool the system and prevent
inflammation.

Every Soldier's Knapsack and Seaman's Chest
should be provided with these valuable Remedies.

CAUTION.—None are genuine unless the
words "HOLLOWAY, NEW YORK AND LONDON," are
discernible as a Water-mark in every leaf of the book
of directions around each pot or box; the same may
be plainly seen by holding the leaf to the light. A
handsome reward will be given to any one rendering
such information as may lead to the detection of any
party or parties counterfeiting the medicines or ven-
ding the same, knowing them to be spurious.

* Sold at the Manufactory of Professor HOLLOWAY,
80 Maiden Lane New York, and by all respect-
able Druggists and Dealers in Medicine, through-
out the civilized world, in boxes at six cents, six, and
six, and six.

There is considerable saving by taking the
larger sizes.

N. B.—Directions for the guidance of patients in
every disorder are affixed to each box.

FINKLE & LYON
SEWING-MACHINE CO.,
538 BROADWAY, NEW-YORK.

NO person who contemplates purchasing a Sewing
Machine for family or manufacturing purposes
should fail to send for one of our Circulars, which
contains cuts and full descriptions of the several
styles, prices and samples of work, all of which we
send by mail free. We claim to have the

BEST SEWING MACHINES IN THE WORLD
For either Family or Manufacturing Purposes.
And all we ask is a fair trial. Read the following:

IMPORTANT FACTS.

FACT No. 1.—This Company being duly licensed,
their Machines are protected against infringe-
ments or litigation.

FACT No. 2.—These Machines make the lock-
stitch— alike on both sides—and use a little less
than half as much thread and silk as the chain
loop-stitch machines.

FACT No. 3.—These Machines are better adapted
than any other sewing-machines in market to the
frequent changes and almost endless varieties of
sewing required in a family. They will sew
from one to twenty thicknesses of Marseilles
without stopping, and make every stitch perfect.
They will even sew from the finest gauze to the
heaviest cloth, and even stout, hard leather,
without changing the feed, needle, or tension, or
making any adjustment of machine whatever.

Is not such a machine best adapted to family use
and best adapted to family use, why not for
every variety of light sewing manufacture? For
work too heavy for our Family Machine, we recom-
mend our larger sizes.

FACT No. 4.—These Machines make the most ef-
fective seam of any sewing-machine, and are a
fact of very great importance in sewing elastic goods,
or goods of any kind, or a bias.

FACT No. 5.—No Machine is more durable or
more simple in its construction, or more easily
understood. The reputation of these Machines
wherever used will fully demonstrate each of the
above facts.

FACT No. 6.—These Machines took the Highest
Premium at the Franklin Institute, Philadelphia,
1861.

FACT No. 7.—These Machines took the Highest
Premium at the New Jersey State Fair.

FACT No. 8.—These Machines took the Highest
Medal at the American Institute, in the City of
New York, together with the Highest Premium
for fine Sewing-Machine Work.

FACT No. 9.—These Machines took both the
Highest Premiums at the Mechanics' Fair, Utica,
1861.

FACT No. 10.—These Machines can do the same
competition with, whenever properly exhibited in
competition with other first-class Sewing Ma-
chines. But we have space for only one fact
more—it is the most important fact of all.

FACT No. 11.—We warrant every Machine we sell
to give better satisfaction than any other Sewing
Machine in market, or money refunded.
