THE Democratic organization may rightly be called the "Workingman's party." Its whole his-tory has been a series of hard fought conflicts for the rights and interests of the poor man. It has ever striven to obtain for him a better reward for his industry, to secure him against the encreachments of capital, and to better his condition. In battling against the Emancipation of the slaves, it should have the co-operation of every working-man in the country, for on that class Abolitionism will work the most injury.—

CLEANSE THE BLOOD.

WITH corrupt, disordered or vitiated Blood you must be sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. tion, restoring the health and expelling disease. LINES on the Death of a Soldier.

On the bloody field of battle,
'Mid the hum of many balls,
Stood my brother, bravely fighting,
Till at last he had to fall.

He, as I, became a soldier,
When his country asked his aid,
But he fell a bloody victim:
Lo! in the earth he now is laid!

Deeply in my breast is wakened, Every sympathetic strain, For the boys of one so near me, One I'll never see again.

Nature's ties are ever binding, And the stoutest heart must swell, When those ties are burst asunder, Kindred bid to earth farewell.

But while I'm his death deploring, Consolation lingers nigh;
'Tis this: my brother was a soldier,
And he did not fear to die.

With the banner streaming o'er him, That has long adorned our land, He fell on the field of battle, Martyr of a traitorous band.

Philadelphia, June 23, 1861.

From the Rev. JOSEPH H. KENNARD, Pastor of the Tenth Baptist Church.

Dr. Jackson—Dear Sir.—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters. I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

Germantown, June 1, 1861.

Dr. C. M. Jackson—Sir:—It gave me pleasure two years ago, to give you a certificate, testifying what the German Bitters had done for me. I am now perfectly cured of all those diseases your medicine professes to cure, viz:—Dyspepsia, Chronic and Nervous debility, diseases of the Kidneys, &c. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown and is now sold in every Drug store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above disease.

Respectfully,
