If you do, ase HOOFLAND'S GERMAN BITTERS. From J. Newton Brown, D. D., Editor of the En-cyclopedia of Religions Knowledge. Although not disposed to fivor or recommend Pat-ent medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contrib-ute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this setty, because I was prejudiced against them for many years, under the impression that they were cheielly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encourage-ment to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not feit for six months before, and had almost de-spaired of regaining. I therefore thank God and my friend for directing me to the use of them. spaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN. Da. Jacrscom-Dean Siz :--I have been frequently reducated to connect my name with commendations of different kinds of medicines, bat regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clean proof in various instances, and particularly in my own family; of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, J. H. KENNARD.
