Weakness or Debility Induced by over Fatigue. Will soon disappear by the use of these invalua-ble Pills, and the Soldies will quickly acquire addi-tional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vig-or to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine. Volunteers Attention ! Indiscretions of Youth
