HOLLOWAY'S PILLS AND OINTMENT All we have Frieds and Relatives in the Army or Navy, should take especial care, that they be amply supplied with these Pills, and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying pro-per attention to the directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Incidental to Soldiers.

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The Pills, taking according to the printed instructions, will quickly produce a neal by action in both liver and stomach, and as a hatural consequence a clear head and good appetite. Weakness or Debility Induced by over Fatigue.

Will soon disappear by the use of these invaluable Pills, and the Soldier will quacally acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the liver and stomach and thus remove all the acrid humors' from the system. This medicine will give tone and vigor to the whole organic system however deranged. the system. This medicine will give tone and vig-or to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this famous medicine. Volunteers Attention! Indiscretions of Youth

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treat ed in any other manner they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system and leave the Patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure. cure.

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Brusses.

To which every Soldier and Sailor are liable, these are no medicines so safe, sure and convenient r-Hollcway's Pills and Ointment. The poor wounds and almost dying sufferer might have his wounds dressed immediately, if he would only provide hime self with this matchless Ohntment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his knapsack and compressed with a bandkerchief. Taking night and morning 6 or 8 Pills, to cool the system and preven

Every Soldier's Knapsack and Seaman's Chets should be provided with these valuable Remedies.

CAUTION.—None are genuine unless the works "Hollowar, New York and Lovons," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering suct information as may lead to the defection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

They will ourse the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegatable) hosts of ignorant Quacks and unseropulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of poor wiskey, vilely compounded with injurious drugs, and christened Tonics, Stomachics and Bitters.

Beware of the innumerable array of Alcotolic preparations in plethori, bottles, and big bellied kegs under the modest appellation of Bitters; which, instead of curing, only aggravate disease, and leave the disappointed sufferer in despair.

Germantown, June 1, 1961.

Dr. C. M. JACKRON-SIR:—It gave me pleasure two years ago, to give you a certificate, testifying what the German Bitters had done for me. I am now perfectly cared of all those diseases your medicine professes to care, viz:—Dyspepsa, Chronic and Nervous debiitty, diseases of the Kudneys, &c. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance is has effectually cared. Your medicine has a great reputation in Germantown and is now sold in every Drug store, and in most of the Grocery stores here. If any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have cared in this vicinity more than tweaty cases of the above disease.

Respectfully.

part for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.
