RE you sick, feeble and complaining? Are A rou out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. symptoms are charged in the same fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the stimulate the functions of the body into vigorous stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon the color of the body and obstructs its natural functions. Ayer's Sarsaparilla

TS a concentrated extract of Para Sarsapa-rilla, so combined with other substances of still greater alterative power as to afford an effective antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

SCROFCLA AND SCROFCLOUS COMPLAINTS, E-

RUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFEC-TIONS, MERCURIAL DISEASE, DROFSY, NEURAL-GIA OR TIC DOLOREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. AN-THONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promo-

ter of health, when taken in the spring, to pel the foul humors which fester in the blood atthat season of the year. By the timely ex-pulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remady, sparethemselves from the en-durance of foul cruptions and ulcerous sores, through which the system will strive to rid itdurance of foul cruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the viriated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse-it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, cleansing the blood. Keep the blood healthy, and all is well: but with the pabulum of life disordered, therean be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misseld by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dellar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whateves. Hence, bitter and painful disappointment has

but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilia which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests up-on it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended

JORDAN .- On Thursday, the 7th inst., in the 35th year of her age, Mrs. MARIA LOUISA, wife of Hon. FRANCIS JORDAN, of this place. The deceased was a member of the Presby-terian church. She was an affectionate wife, a kind mother, a faithful friend, an humble christian. Her health had been feeble for many years, and, for a considerable time, she had not enjoyed the privileges of the sanctuary. She, perhaps, yielded too often to a morbid state of mind, the result of physical disorder, and confined herself to her home when intercourse with her friends, and especially the services of the Lord's House might have proved beneficial to her bodily and spiritual health.

During her last illness, which was of short

continuance, she was patient and submissive to the will of God. At times despondent, she usually enjoyed a sense of her Savior's presence, and rejoiced in the hope of eternal life. When faint utterance heard by those who watched be-side her bed, she exchanged the sick chamber for the everlasting habitation. It was a pleasing coincidence, as remarked at the funeral of ger near by, and within her hearing, was sing-ing. "I would not live alway," to the tune, "There is rest for the weary," she was passing "There is rest for the weary," she was passing through the valley of death to her eternal home,
