GREAT REBELLION; OR,

The Geroism of our Soldiers & Sailors. ILLUSTRATED.

1 vol., large 12mo. Price, \$1.25.

The critics and the public are right in predicting that this will surpass, in graphic narrative, exciting neterest, and extensive popularity, all other historics of the War for the Union, its theme citing interest, and extensive popularity, all other histories of the War for the Union. Its theme will be the heroic daring, patient suffering, and hairbreadth escapes of our soldiers and sailors, and its incidents will form the theme of conversation at innumerable firesides for years to come. It will contain, in addition to its stirring details, the philosophical Analysis of the Causes of the War, by John Lothron Motley, LL. D., Author of "The Rise of the Dutch Republic," etc., the dates of all the important events from John Brown raid, and an accurate and revised account of the principle battles, with engravings.

One third the proceeds of all Subscriptions sent direct to us will be given for the Relief of Disabled Soldiers, and all persons who wish a copy of the work, and also to benefit the soldiers, should send their name and address at once. The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized with most VIOLENT PAINS, COUGH and SUFFOCATING HOARSENESS, first symptoms of QUICK CONSUMPTION, but if supplied with Holloway's PILLS and Holloway's Ointmeer, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the SE-VEREST PAINS and stop the most distressing and DANGEROUS COUGH. These PHLES and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Bartacks, for over torty years Doctor Holloway has supplied all the Armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balcalay, for the avaluative sale of these GPFAT Balaciava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. Do not let these brave men perish by disease, place in their bands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot free quently get succor in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find a sure remedy there for all the casualties of the battle field. How many thousands of lives weuld thus be saved who would otherwise perish before relief could be obtained.

CAUTION.—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light.
