The Geroism of our Soldiers & Bailors. ILLUSTRATED.

1 vol., large 12mo. Price, \$1.25. The critics and the public are right in predicting that this will surpass, in graphic narrative, exciting interest, and extensive popularity, all other histories of the War for the Union. Its theme will be the heroic daring, patient suffering, and hairbreadth escapes of our soldiers and sailors, and its incidents will form the theme of conversation

at innumerable firesides for years to come. It will eontain, in addition to its stirring details, the philesophical Analysis of the Causes of the War, by John Lothrer Motley, LL. D., Author of "The Rise of the Dutch Republic," etc., the dates of all the important events from John Brown raid, and an accurate and revised account of the principle battles. With engraving.

The lonely sentry walking his rounds at night, exposed to drenching rains and chill night air, is often seized with most VIOLENT PAINS, COUGH and SUFFOCATING HOARSENESS, first symptoms of QUICK CONSUMPTION, but if supplied with HOLLOWAY'S PILLS and HOLLOWAY'S OINTELENS, all danger is averted, a few Pills taken night and morning, and the Ointment briskly tubbed twice a day over the throat and chest will remove the SEVEREST PAINS and stop the most distressing and DANGEROUS COUGH. Therefore we say to the whole Armr.

Soldiers Attention:

See to your own health, do not trust to the Army supplies althoughmost valuable. These PILLS and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent these has sold over a ton in weight of the Ointment in a single day. How many thousands of lives weuld thus be saved who would otherwise perish before relief could be obtained.
