Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the or-dinary medicines, and that they win unprece-dently upon the esteem of all mon. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed of its organs, purity the blood, and experiments as They purge out the foul humors which breed and grow distemper, stimulate sluggish or dis-ordered organs into their natural action, and impart healthy tone with strength to the whole

system. Not only do they cure every-day com-plaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be emdoses, the sates and been physic branches, they are pleasant to take; and being purely vegeta-ble, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent elergymen and physi-cians have lent their names to certify to the public the reliability of our remedies, while others have sent me the assurance of their conviction that our Preparations contribute immensely to the relief of my afflicted suffering fellow-

Purify the Blood.

Nor a few of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the discoveries that have been made to purge it out, none have been found which could equal in effect AYER'S COM-POUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the blood, instills the yigor of and renovates the blood, institus the rigor of health into the system and purges out the humors which make disease. It stimulates the healthy functions of the body and expels the disorders that grow and rankle in the blood. Its extraordinary virtues are not yet widely known, but when they are it will no longer be a question what remedy to employ in the great variety of afflicting diseases that require an alterative rem-edy. Such a remedy, that could be relied on, has long been sought for, and now, for the first time, the public have one on which they can de-Our space here does not admit certificates to show its effects. But the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever ta-ken. Sufferers from Scrofula, Scrofulous Swellings and Sores, try it and see the rapidity with which it cures. Skin Diseases, Pimples, Pus-tules, Blotches, Eruptions, &c., are soon cleaned out of the system.
