

RESULT OF THE ELECTION.

The returns of the elections held on Tuesday last, so far as received, indicate heavy Democratic gains, except in the large cities, where the merchants and others who have government contracts and the administration officials control public sentiment. The vote on the state tickets is close and the majority will not be very much for the successful party whichever that may be. The Democrats have certainly gained number of Congressmen and members of the legislature, in the rural districts. The revolution in pulic sentiment has just set in and by next year we may expect the utter annihilation of Abolitionism in Pennsylvania.

The defeat of Edward McPherson, the Abolition candidate for congress, in this district, is a consummation for which every patriot will be heartily thankful. With a majority of 3,000 to overcome, the Democratic candidate has been successful. This is glory enough for us, no matter how the state has gone.

The contest for Senator is also very close The republican majority in the district is usually about 2500. We think Judge Noble's chances for election are good. His majority in this county is about 750.

As for old mother Bedford, she has covered herself all over with glory. What shall we say, nay, what can we say, to do justice to the noble and gallant men of St. Clair, Harrison, the Cook Stoves & Heating Stoves, two Woodbearies, Juniata, Napier, Cumberland Valley, Colerain, Southampton, Londonderry. Liberty, Union, Bedford, and even the two Providences? We cannot find words to express our gratitude for the vote they have given us. To the generous and honest men who hitherto belonged to the Republican organization, who stepped forward and helped to bear up the conservative standard, we return our hearty thanks in behalf of the Democracy. They have shown themselves equal to the emergency and they shall ever be held in grateful remembrance for their magnanimous conduct. Bedford county is fixed forever on the side of the Union and the

Has Andy Crisman presided over a meeting to resist the draft? That's the question.

SERIES OF SERMONS BY THE PASTOR OF THE M. E. CHURCH.—It was stated by the Rev. Mr. Kepler, last Sabbath, that he would resume the great subject which he is now illustrating in a series of discourses, next Sabbath morning, at the usual hour of public worship. It is understood, that the special theme for the coming Sabbath, will be the Exaltation of Christ; its Necessity and its Nature. The text on which these several sermons have been, and from intimations given, are yet to be founded, is Philip-

THE REBELS AT CAHMBERSBURG!-On Friday last about 3000 rebel cavalry took possession of Chambersburg, burned the Government stores and drove off all the horses they could find.— We are sorry to hear that our townsman Mr. Geo. Blymire, lost a large lot of goods which were stored for trans-shipment at Chambersburg.
The rebels escaped across the Potomac without osing a man.

Although not disposed to favor or recommend Patent medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

Ido this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were cheight an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six menths before, and had almost despaired of regaining. I therefore thank God and my fixed for directions we to the weather the control of the second of the control of the second of the se spaired of regaining. I therefore thank God and my

DR. JACKSKN-UEAR SIR:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined, but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoodand's German Bitters, I described to the control of the contr

nsefulness of Dr. Hoofland's German Bitters, I de-part for once from my usual course, to express my-full conviction that, for general debility of the sys-tem, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes. Yours, very respectfully, J. H. KENNARD.

DR. C. M. Jackson—Sr.:—It gave me pleasure two years ago, to give your certificate, testifying what the German Bitters had done for me. I am now perfectly cured of mit those diseases your medicine professes to cure, viz:—Dyspepsis, Chronier and Nervous debility, diseases of the Kidneys, &c.: The powerful influence it exerts upon Nervous prostration is surprisony. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown and is now sold in every Drug store, and in most of the Goocery stores here. If any one should question wan't say, let them come to Germantown, and will prove to their satisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above disease. Respectfully,
