GREAT BOOK IN PRESS.
THRILLING INCIDENTS OF THE GREAT REBELLION;

OR,
The Heroism of our Soldiers & Sailors.
ILLUSTRATED.
1 vol., large 12mo. Price, \$1.25.

The critics and the public are right in predicting that this will surpass, in graphic narrative, exciting interest, and extensive popularity, all other histories of the War for the Union. Its theme will be the heroic daring, patient suffering, and hairbreadth escapes of our soldiers and sailors, and its incidents will form the theme of conversation at innumerable firesides for years to come. It will contain, in addition to its stirring details, the philosophical analysis of the Causes of the War, by Jons Lottner Motley, LL. D., Author of "The Rise of the Dutch Republic," etc., the dates of all the important events, from John Brown's raid, and an accurate and revised account of the principle battles, with engravings.

One third the proceeds of all Subscriptions sent direct to us will be given for the Relief of Disabled Soldiers, and all persons who wish a copy of the work, and also to the soldiers, should send their name and address at once. Also, any officer or private, or person in any section of the country, having knowledge of a heroic act or stirring incident, will oblige us by sending us an account of it.

Booksellers, Postmasters, and Carrying Agents will be furnished with a Subscription Prospectus, on application to the Publishers.

A liberal commission given to soldiers desiring to act as agents in taking subscription.
