GREAT BOOK IN PRESS.

GREAT REBELLION;

The Geroism of our Soldiers & Bailors. ILLUSTRATED.

The critics and the public are right in predict ing that this will surpass, in graphic narrative, exciting interest, and extensive popularity, all other histories of the War for the Union. Its them will be the heroic daring, patient suffering, and hairbreadth escapes of our soldiers and sailors, and its incidents will sorm the theme of conversation at innumerable firesides for years to come. It will contain, in addition to its stirring details, the philicophical Analysis of the Causes of the War, by John Lorentor Morley, LL. D., Author of "The Rise of the Dutch Republic," etc., the dates of all the important events from John Brown raid, and an accurate and revised account of the principle battles, with engravings.
