**Holloway's Pills and Ointment.**  
All who have friends and relatives in the army or navy, should take special care, that they are supplied with these Pills and Ointment; and that these articles and salves are neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the soldier's never-failing friend in the hour of need.  
Coughs and Colds Affecting Troops,  
Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the directions which are attached to each pot or box.  
Sick Headache and Want of Appetite, Incident to Soldiers,  
These feelings which so sudden, usually arise from trouble or annoyance, obstructed perspiration, or eating and drinking whatever is available, thus disturbing the healthy action of the liver and stomach. These organs must be relieved, if you desire to be well. The pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.  
Weakness or Dizziness induced by over Fatigue,  
Will soon disappear by the use of these invaluable pills, and the soldier will quickly acquire additional strength. Never let the bowels be either confined or unacted upon at. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.  
Volunteers Attention! Indications of Youth Sores and ulcers, blotches and swellings, can with certainty be radically cured if the pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part or break out in another. Whereas this ointment will break the humors from the system and leave the patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.  
For Wounds either occasioned by the Bayonet, Sabre or Bullet, Sores or Bruises,  
To which every soldier and sailor are liable, there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this magnificent Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 pills, to cool the system and prevent inflammation.  
Every soldier's knapsack and seaman's chest should be provided with these valuable remedies.

**CAUTION.**—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any person rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.  
\* \* \* Sold at the manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cts, and \$1 each.
