use of a single bottle will prove to be worth 100 times its coat.

NOTICE—Save your Money!—Do not be persuaded to purchase articles at 4s. to \$1 which do not contain the wirtues of a 13 cent bottle of Madame Porters Curative Balsam, the cost of manufacturing which is as great as that of almost anyother medicine and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customer lasist upon having Madame Porter's and no other. Ask for Madame Porter's Curative Balsam, price 13 cents, and in large bottles at 25 cents, and take no other if you cannot get it at one store you can at another.

BY A. J. GLOSSBRENNER & CO.

A. J. GLOSSBRENNER. F. J. GRUND. WM. H. WELSH

"THE AGE" will advocate the principles and po

icy of the Democratic party, and will, therefore, necessarily favor the restoration of the Union as it was, and defend the Constitution of the Union as it was, and that of this Commonwealth.

It will freely and fairly discuss all legitimate subjects of newspaper comment, including, of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

subjects of newspaper comment, including, of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

It will fearlessly criticise the public acts of public servants, and defend the legal and constitutional rights of individual citizens and of sovereign states against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic—to present to them, truthfully, the fearful perila in which we stand as a nation—to exhibit the magnitude of the task that is before them, if they would check our downward progress—and to inspire them with patriolic determination to apply year nement of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well. The restoration of that party—the party of the Constitution and the Union—to power, in the legislative and executive governmental branches of the States and of the Union, we believe to be necessary to avert anarchy, and the utter roin of the Republic. To contribute to that restoration will be our highest aim.

The News, Literary, Commercial, and other departments, will receive due attention, and will be so conducted as to make "Tim Ang." worthy of the support of the general reader.

37 The many difficulties now surrounding an enterprise of the magnitude of that in which the undersigned are engaged, require them to appeal to the public for a generous support, and to ask for "Tur Ang." a liberal patronage and extended circulation.

THE SOLDIER'S TRUE FRIEND. Always Ready.

HOLLOWAY'S OINTMERT. Long marches, some and stiff joints, blistered and inflamed feet, all these the Soldier must endure MOTHERS, REMEMBER THIS, when your sons MOTHERS, REMEMBER THIS, when your sons are grasping their muskets to meet danger, think what relief a single pot of this ALL HEALING and COOLING Salve will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for.

Sabre cuts and Gunshot Wounds,

It stands unequalled, removing and preventinglesse.

It stands unequalled, removing and preventinglevery vestige of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

Wives and Sisters of Volunteers.

You cannot put into the Knapsacks of your Bus bands and Brothers, a more valuable or more necessary gift than a supply of this

Extraordinary Military Salve.

The lonely sentry welking his rounds at night, expose, to drenching rains and chill night air, is often seized with most VIOLENT PAINS, COUGH and SUFFOCATING HOARSENESS, first symptoms of QUICK CONSUMPTION, but if supplied with Holloway's Pills and Holloway's Ointment, all danger is averted, a few Pills taken night and morning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the SEVEREST PAINS and stop the most distressing and DANGEROUS COUGH. Therefore we say to the whole Army,

Soldier's Attention:

See to your own health, do not trust to the Army supplies although most valuable. Thee PILLs and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and latal enemies, of the SOLDIERS IN CAMP,

Diarrhea, Dysentery, Scurvy, Sores & Scrofulous Eruptions,
al disappear like a charm before these PILLS and OINTMENT, and now while the cry rings throughout the land, Soldier's Attention!

TO ARMS! TO ARMS!!

TO ARMS! TO ARMS!?

Do not let these brave men perish by disease, place in their hands these PRFCIOUS REMEDIAS, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequantly get succor in the moment of neel, whereas if our brave men have only to put their hands into their Knapsacks and find a sure remedy there for all the casualties of the battle field. How many thousand of lives would thus be saved who would otherwise perish before relief could be obtained.

OAUTION.—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by hodding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the de, tection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
