PROSPECTUS OF "THE AGE."

A National Democratic Newspaper,
To be published Daily and Weekly in the City of Philadelphia,
BY A. J. GLOSSBRENNER & CO.
A. J. GLOSSBRENNER, P. J. GRUND, W. H. WELSH.

"The Age" will advocate the principles and policy of the Democratic party, and will therefore, necessarily favor the restoration of the Union as it was, and defend the Constitution of the United States, and that of this Commonwealth.

It will freely and fairly discuss all legitimate subjects of newspaper comment, including, of course, and pre-eminently at this time, all questions connected with the existing unhappy condition of our country.

It will fearlessly criticize the public acts of public servants, and defend the legal and constitutional rights of individual citizens and of sovereign States against assaults from any quarter.

It will seek to awaken the minds of the people to a proper sense of the actual condition of the Republic—to present to them, truthfully, the fearful perils in which we stand as a nation—to exhibit the magnitude of the task that is before them, if they would check our downward progress—and to inspire them with patriotic determination to apply their remedy for our national ills.

In brief, it will, in all things, aim to be the faithful exponent of Democratic principles, and to render itself worthy to be an organ of the Democratic party, under whose auspices our country prospered so long and so well. The restoration of that party—the party of the Constitution and the Union—to power, in the legislative and executive governmental branches of the States and of the Union, will be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The News, Literary, Commercial, and other departments, will receive due attention, and will be so conducted as to make "The Age" worthy of the support of the general reader.

By the many advantages attending our country prospered so long and so well. The restoration of that party—the party of the Constitution and the Union—to power, in the legislative and executive governmental branches of the States and of the Union, will be necessary to avert anarchy, and the utter ruin of the Republic. To contribute to that restoration will be our highest aim.

The present state of the preparatory arrangements warrants the expectation, that the first number of the Daily will appear before the close of the present month, (February 17, 1863.) The Weekly will be issued soon thereafter.

Economy is Wealth! CURE YOUR COUGH FOR 13 CTS.
The BEST, and CHEAPEST Household REMEDY in the World.
Madame ZADOC PORTER'S GREAT COUGH REMEDY.
Madame Zadoc Porter's Curative Balsam is warranted to cure, in all cases, Coughs, Colds, Whooping Cough, Asthma, and all affections of the throat and Lungs.
Madame Zadoc Porter's Balsam is prepared with all the requisite care and skill from a combination of the best remedies the vegetable Kingdom affords; its medicinal qualities are based on its power to assist the healthy and vigorous circulation of the blood, thro' the Lungs. It is not a violent remedy, but emollient, warming, searching and effective; can be taken by the oldest person or the youngest child.
Madame Zadoc Porter's Balsam has been in use by the public for 18 years, and has acquired its present sale simply by being recommended by those who have used it to their afflicted friends and others.
MOST IMPORTANT—Madame Zadoc Porter's Curative Balsam is sold at a price which brings it in the reach of every one to keep it convenient for use of a single bottle will prove to be worth 100 times its cost.
NOTE—Save your Money! Do not be persuaded to purchase articles at 4s. to 5s. which do not contain the virtues of a 13 cent bottle of Madame Zadoc Porter's Curative Balsam, the cost of manufacturing which is as great as that of almost any other medicine and the very low price at which it is sold, makes the profit to the seller, apparently small, and unprincipled dealers will sometimes recommend other medicines on which their profits are larger, unless the customer insist upon having Madame Zadoc Porter's and no other. Ask for Madame Zadoc Porter's Curative Balsam, price 13 cents, and in large bottles at 25 cents, and take no other. If you cannot get it at one store you can get it at another.
Sold by all Druggists and Storekeepers at 13 cts., and in larger bottles at 25 cts.

THE SOLDIER'S TRUE FRIEND. Always Ready. HOLLOWAY'S OINTMENT.

Long marches, sore and stiff joints, blistered and inflamed feet, all these the Soldier must endure. MOTHEAS, REMEMBER THIS, when your sons are grasping their muskets to meet danger, think what relief a single pot of this ALL HEALING and COLICING Salve will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatigue. It soothes and relieves the inflamed and stiffened joints, leaving them supple, strong and vigorous, while for

Subsides cuts and Gunshot Wounds,
It stands unequalled, removing and preventing every variety of inflammation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.
Winds and Sisters of Pleurisy,
You cannot put into the Knapsacks of your Husbands and Brothers, a more valuable or more necessary gift than a supply of this

Extraordinary Military Salve.
The lately sent walking his rounds at night, exposed to drizzling rains and chill night air, often exposed to most VIOLENT PAINS, COUGHS and SUFFOCATING HOARSENESS, first symptoms of QUICK CONSUMPTION, but if supplied with HOLLOWAY'S PILLS and HOLLOWAY'S OINTMENT, all danger is averted, a few Pills taken at night and morning, and the Gouty humors subdued, a fever over the throat and chest will remove the SEVEREST PAINS and stop the most distressing and DANGEROUS COUGHS. Therefore we say to the whole Army.

Soldier's Attention!
See to your own health, do not trust to the Army supplies, though most valuable. These PILLS and OINTMENT have been honorably tested, they are the only remedies used in the European Campaign and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaklava, for the exclusive sale of these GREAT REMEDIES, at any time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of the SOLDIERS IN CAMP,
Diarthra, Dysentery, Scoury, Sores & Scrofulous Eruptions,
all disappear like a charm before these PILLS and OINTMENT, and now while the cry rings throughout the land,

TO ARMS! TO ARMS!
Do not let these brave men perish by disease, place in their hands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequently get succor in the moment of need, whereas if our brave men have only to put their hands into their Knapsacks and find a sure remedy there for all the casualties of the battle field. How many thousands of lives would be saved who would otherwise perish before relief could be obtained.

CAUTION.—None are genuine unless the words "HOLLOWAY, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Sold at the manufactory of Professor Holloway, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cts, and \$1 each.
There is considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in the use of the Ointment and Pills, are enclosed in each box.
