VEREST PAINS and stop the most distressing and DANGEROUS COUGH. Therefore we say to the whole Army,
Soldier's Attention:

See to your own health, do not trust to the Army supplies although most valuable. Thee PILLs and OINTMENT have been thoroughly tested, they are the only remedies used in the European Campa and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies, at the SOLDIERS IN CAMP,

out the land,

TO ARMS! TO ARMS!!

Do not let these brave men perish by disease, place in their hands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposerse, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannos for quantly get succor in the moment of neel, whereas if our brave men have only to put their hands into their Knapsecks and find a sure remedy there for all the casualties of the battle field. How many thousand of lives would thus be saved who would otherwise perish before relief could be obtained.
