**Holloway's Pills and Ointment.**

All who have friends and relatives in the army or navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave soldiers and sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the soldier's never-failing friend in the hour of need.

**Coughs and Colds Affecting Troops.**

Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the directions which are attached to each pot or box.

**Sick Headache and Want of Appetite, Incident to Soldiers.**

Those feelings which usually arise from trouble and anxiety, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the liver and stomach. These organs must be relieved, if you desire to be well. The pills, taken according to the printed instructions, will quickly reduce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

**Weakness or Debility induced by over Fatigue.**

Will soon disappear by the use of these invaluable pills, and the soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these pills will correct the liver and stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.

**Volunteers Attention! Indiscretions of Youth**

Sores and ulcers, blotches and swellings, can with certainty be radically cured if the pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this ointment will remove the humors from the system and leave the patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

**For Wounds, either occasioned by the Bayonet,**

Shrapnel, or the Bullet, Sores or Bruises,

To which every soldier and sailor are liable, there are no medicines so safe, sure and convenient as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 pills, to cool the system and prevent inflammation. Every soldier's knapsack and sea-man's chest should be provided with these valuable medicines. **CAUTION.**—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious. \* \* \* Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 50 cents, and \$1 each. There is considerable saving by taking the larger sizes. \* \* \* Directions for the guidance of patients in every disorder are affixed to each box. **THOS. C. Madame ZADOC PORTER'S Balm is prepared with all the requisite care and skill, from a combination of the best remedies the vegetable kingdom affords; its remedial qualities are based on its power to assist the healthy and vigorous circulation of the blood, thro' the Lungs. The cost of manufacturing which is as great as that of almost any other medicine and the very low price at which it is sold, makes the profit to the seller apparently small, and unprincipled dealers will sometimes seek to make unprincipled gains which their profits are larger, unless the customer insist upon having Madame ZADOC PORTER'S and no other. As for Madame ZADOC PORTER'S Curative Balm, price 13 cents, and in large bottles at 20 cents, and take no other. If you cannot get it at one store you can at another.
