

### Holloway's Pills and Ointment.

All who have friends and relatives in the army or navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave soldiers and sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the soldier's never-failing friend in the hour of need.

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the directions which are attached to each pot or box.

Sick Headache and Want of Appetite, Incidental to Soldiers,

Those feelings which so sadden us, usually arise from trouble or annoyances, obstructed perspiration, or erting and drinking whatever is unwholesome, thus disturbing the healthful action of the ever and stomach. These organs must be relieved, if you desire to be well. The pills, taking according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness or Debility induced by over Fatigue, Weakness or Debility induced by over Faligue, Will soon disappear by the use of these invaluable pills, and the soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.

Volunteers Attention! Indiscretions of Youth Sores and ulcers, blotches and swellings, can with certainty be radically cured if the pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this ointment will remove the humors from the system and leave the patient a vigorous and healthy man. It will require a little perseverance in pad cases to insure a lasting

For Wounds either occasioned by the Bayonet, Sabre or the Bullet, Sores or Bruises,

To which every soldier and sailor are liable, there are no medicines so safe, sure and convenient as kolloway's Fills and Ointment. The poor wounded and almost dying sufferer might have his wounded dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 pills, to cool the system and prevent inflammation.

Every soldier's knapsack and seaman's chest should be provided with these valuable remedies. which every soldier and sailor are liable, there

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for tmany years, under the impression that they wist cheirely an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and ong continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Dr. Jacksum-Dear Str.:—I have been frequestly requested to connect my name with commendation of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have instances, and particularly in my own family, of its usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the synful conviction that, for general usefulness of Dr. Hoofland's German Bitters, Ide part for once from my usual course, to express my full conviction that, for general debility of the sy-tem, and especially for Liver Complaint, it is a six and valuable preparation.
