THE SOLDIER'STRUE FRIEND. Always Ready.

HOLLOWAY'S OINTMENT. Extraordinary Military Salve.

Long marches, sore and siff joints, blistered and inflamed feet, all these, the Soldier must endure Mothets, remember this, when your sons are grasping their muskets to meet danger, think what relief a single pot of this all healing and cooling Salve will give to the one you love when far away from home and friends. It hardens and makes tough the feet so that they can endure great fatiguh It sooths and relieves the idflamed and stiff joints leave them suple, strong and vigorous, while for,

Sabre Cuts and Gunshot Wounds, It stands unequalled, removing and preventing every vestive of inflamation and gently drawing the edges together, it quickly and completely heals the most frightful wounds.

Wives and Siste<sub>A</sub>s of Volunteers.

You cannot put into the Knapsrcks of your Hushands and Brothers, a more valuable or more necessary gif than a supply of this

The lonely sentry wakking his rounds at night exposep to drenching rains and chill night air, is often seized with most VIOLENT PAINS COUGAND SUPPOCATING HOARSENESS, first symptoms of QUICK CONSUMPTION, but if supplied with Holloway's Pills and Holloway's Ointment, all danger is averted, a few Pills taken night and noorning, and the Ointment briskly rubbed twice a day over the throat and chest will remove the SEVEREST PAINS and stop the most distressing and DANGEROUS COUGH. Therefore we say to the whole Army,

Soldier's Attention!

Soldier's Attention!

See to your own health, do not trust to the Aimy supplies although most valuable. Thee PII.Ls and OINTMENT have been thoroughly tested, they are the only remedies used in the European Camps and Barracks, for over forty years Doctor Holloway has supplied all the Armies in Europe, and during the CRIMEAN CAMPAIGN he established a depot at Balaclava, for the exclusive sale of these GREAT REMEDIES, many a time his special Agent there has sold over a ton in weight of the Ointment in a single day. These terrible and fatal enemies of the SOLDIERS in CAMP,

Diarrhea, Dysentery, Scurvy, Sores & Scrofulous Eruptions,
al disappear like a charm before these PILLS and OINTMENT, and now while the cry rings throughout the land,

TO ARMS! TO ARMS!! Do not let these brave men perish by disease, place in their hands these PRECIOUS REMEDIES, that will enable them to resist the dangerous exposures, the Fevers, the Chills, and the wounds which they cannot avoid, and what is more, cannot frequantly get succor in the moment of neel, whereas if our brave men have only to put their hands into their Knapsacks and find a sure remedy there for all the casualties of the battle field. How many thousand of lives would thus be saved who would otherwise perish before relief could be obtained.

CAUTION.—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the ic 2ft o the light. By ROBERT J. CULVERWELL, M. D., Author of the Green Book, &c.

The important fact that the awful consequences of Self-Abuse may be effectually removed without internal medicines or the dangerous application of caustics, instruments, medicated bougies, and other empirical devices, is here clearly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated author, fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This Lecture will prove a boon to thousands and thousands.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) hosts of ignorant Quacks and unscrupulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of poor whiskey, vilely compounded with injurious drugs, and christened Tonics, Stomachies and Bitters.

Beware of the innumerable array of Alcoholic preparations in plethoric bottles, and big bellied kegs under the modest appellation of Bitters; which, instead of curing, only aggravate disease, and leave the disappointed sufferer in despair.

HOOFLAND'S GERMAN BITTERS. Are not a new and untried article, but have stood the test of fifteen years trial by the American pub-lic; and their reputation and sale are not rivaled by any similar preparation.

From J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent medicines in general, through distrast of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Sitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for tmany years, under the impression that they were cheight an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and ong continued debility. The use of three Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

DR. JACKSON-DEAR SIR: - I have been frequently Dr. Jackson—Dear Sin:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I deusculness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

Germantown, June 1, 1861.

Dr. C. M. Jackson—Sir.—It gave me pleashre two years ago, to give you a certificate, testifying what the German Bitters had done for me. I am now perfectly cured of all those diseases your medicine professes to cure, Viz:—Dyspepsia, Caronic and Nervous debility; diseases of the Kidneys, &c. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown and is now sold in every Drug store, and in most of the Grocery stores here. It any one should question what I say, let them come to Germantown, and I will prove to their satisfaction, that the Bitters have cured in this vicinity more than twenty cases of the above disease.
