Holloway's Pills and Ointment

All who have friends and relatives in the army or navy, should take especial care, that they be amply supplied with these Pills and Ointment; and where the brave soldiers and sailors have neglected to provide themselves with them, no better present can be sent them by their friends. They have been proved to be the soldier's never-failing friend in the hour of need.

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the directions which are attached to each pot or box.

Sick Headache and Want of Appetite, Incidental to Soldiers,

Those feelings which so sadden us, usually arise from tr ouble or annoyances, obstructed perspiration, or eatingand drinking whatever is unwholesome, thus disturbing the healthful action of the ever and stomach. These organs must be relieved, if you desire to be well. The pills, taking according to the printed instructions, will quiekly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness or Debility induced by over Fatigue Weakness or Debility induced by over Fatigue, Will soon disappear by the use of these invaluable pills, and the soldier will quickly acquire additional strength. Never let the bowels be either confined or unduly acted upon. It may seem strange that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these pills will correct the liver and stomach and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the bowels so sure as this famous medicine.

Volunteers Attention! Indiscretions of Youth Sortian territor is indiscretions of Youth Sores and ulcers, blotches and swellings, can with certainty be radically cured if the pills are taken night and morning, and the ointment be freely used as stated in the printed instructions. If treated in any other manner they dry up in one part to break out in another. Whereas this ointment will remove the humors from the system and leave the patient a vigorous and healthy man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet,
Sabre or the Bullet, Sores or Bruises,
vited to call and examine for themselves.

To which every soldier and sailor are liable, there are no medicines so safe, sure and convenient as tolloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wounds dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all round it, then covered with a piace of linen from his knapsack and compressed with a handkerchief. Taking night and morning 6 or 8 pills, to cool the system and prevent inflammation.

Every soldier's knapsack and seaman's chest should be provided with these valuable remedies. To which every soldier and sailor are liable, the

CAUTION.—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the le if to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be sourious.
