Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) hosts of ignorant Quacks and unscrupulous adventurers, have opened abon sufering formatify the flood gates of Nostrums in the shape of poor whiskey, vilely, compounded with injurious drugs, and christened Tonics, Stomachies and Bitters.

Beware of the innumerable array of Alcoholic preparations in plethoric bottles, and big bellied kegs under the modest appellation of Bitters; which, instead of curing, only aggravate disease, and leave the disappointed sufferer in despair.

From J. Newton Brown, D. D., Editor of the Engelopedra of Religious Kagwiedge.

Although not disposed to fivor or recommend Patent medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for timany years, under the impression that they were cheighy an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and leng continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend fer directing me to the use of them.

From the Rev. JOSEPH H. KENNARD, Paster of the Tenth Baptist Church.

DR. JACKE N-UEAR SIR:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined, but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my rull conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully. Of J. H. KENNARI.

Dr. C. M. Jackson—Sire—It gave me pleasure
two years ago, to give you a certificate, testifying
what the German Bitters had done for me. I am
now perfectly, cured of all those diseases your medcine professes to cure, viz:—Dyseprisa, chronic
and Nervous debility, diseases of the Kidneys, &c.
The powerful influence it exerts upon Nervous protration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints,
and in every instance it has effectually cured. Your
medicine has a great reputation in Germantown and
is now sold in every Drug store, and in most of the
Grocery stores here. If any one should question
what I say, fet them come to Germantown, and I
will prove to their satisfaction, that the Bitters here
cared in this vicinity more than twenty causes of the
above disease.
