Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) hosts of ignorant Quacks and unserupulous adventurers, have opened upon sufering humanity the flood gates of Nostrums in the shape of poor whiskey, vilely compounded with injurious drugs, and christened Tonics, Stomachies and Bitters.

Beware of the innumerable array of Alcoholic preparations in plethoric bottles, and big bellied kegs under the modest appellation of Bitters; which, instead of curing, only aggravate disease, and leave the disappointed sufferer in despair.

HOOFLAND'S GERMAN BITTERS. Are not a new and untried article, but have stood the test of fifteen years trial by the American pub lic; and their reputation and sale are not rivaled by

any similar preparation.

Although not disposed to favor or recommend Patent medicines in general, through distrust of their reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for tmany years, under the impression that they were cheiefly an alecholic mixture, I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thack God and my friend for directing me to the use of them.

Dr. Jacks N.—Urar Sir.—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined, but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters. I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may Jail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
J. H. KENNARD.

Dr. C. M. Jackson.—Sir.—It gave me pleasure two years ago, to give you a certificate, testifying what the German Bitters had done for me. I am now perfectly cured of all those diseases, your medicine professes to cure, viz :—Dyspepsia, Chronic and Nervous debility, diseases of the Kulneys, &c. The powerful influence it exerts upon Nervous prostration is surprising. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every Drug store, and in most of the Goccry stores here. II any one should question what I say, let them come to Germantown, and is will prove to their satisfaction, that the Bitters heve cured in this vicinity more than twenty cases of the above disease. Respectfully,

HANNAH WUNDEP.
