

The great Eureka Hay, Straw and Fodder Cutter and Crusher, can now be obtained from Wm. Hartley, agent for Bedford and adjoining counties. This scutter now stands unsqualing. Three sizes are made, and the largest size will cut and crush as fast as three men can feed it. Hay is scarce and will be high in price. Sensible farmers will save their hay and feed cut corn fodder to both horses and cattle. Try one of these cutters, famers, and you will not regret it. All machines warranted.
