HOOFLAND'S GERMAN BITTERS.

Are not a new and untried article, but have stood the test of fifteen years trial by the American pub-lic; and their reputation and sale are not rivaled by any similar preparation.

The proprietors have thousands of letters from the most eminent

CLERGYMEN

LAWYERS. PHYSICIANS,

CITIZENS, Testifying, of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

Do you want something to strengthen you? Do you want a something to strengthen you?
Bo you want to build up your constitution?
Do you want to feel well?
Do you want to feel well?
Do you want to get rid of nervousness?
To you want energy?
Do you want a brisk and vigorous feeling?
If you do, use HOOFLAND'S GERMAN BITTERS.

From J. Newton Brown, D. D., Editor of the Encyclopedra of Religious Knowledge.

Although not disposed to favor or recommend Patent medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

Life this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were cheight an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and leng continued debility. The use of three bittless of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend fer directing me to the new of them.

J. NEWTON BROWN.

Philadelphia, June 23, 1861.

From the Rev. JOSEPH H. KENNARD, Pastor of the Teath Baptist Charch.

Dr. Jacks. N—Dr. A. Sin:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters. I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,
J. H. KENNARD.

Germantown, June 1, 1861.

Dn. C. M. Jackson—Six:—It gave me pleasure two years ago, to give you a certificate, testifying what the German Bitters had done for me. I am now, perfectly cured of all those diseases your medicine professes to cure, viz:—Dyspepsa, Chronic and Nervous debility, diseases of the Kidneys, &c. The powerful indusence it exerts upon Nervous prostation is surprissing. I have been consulted frequently in reference to your Bitters, and without hesitation, have recommended it for the above complaints, and in every instance it has effectually cured. Your medicine has a great reputation in Germantown and is now sold in every Drug store, and in most of the Guocry stores hase. If any one should question what I say, let them come to Germantown, and it will prove to their satisfaction, that the Bitters have dured in this wichilty more than twenty cases of the above disease. Respectfully,

Main at,, above Rittenhouse, Germantown, I a.

Induced by the extensive sale and universal popularity of Hoodand's German Bitters, (purely vege table) hosts of ignorant Quacks and unserrupulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of pool whiskey, vilely compounded with injurious drugs, and christened Tonics, Stomachics and Bitters.

Beware of the immerable array of Alcotolic preparations in plethoric bottles, and big bellied kegs under the modest appellation of Bitters; which, instead of caring, only aggravate disease, and leave the disappointed sufferer in despair.
