LEVI G. BECK. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Enowledge, and Chris-tian Chronicle, Philadelphia. Athough not disposed to favor or recommend Pat-ent Medicines in general, through distrust of their ingredients and effects, 1 yet know of no sufficient reasons why a man may not testify to the benefits in believes himself to have received from any sim-le preparation, in the hope that he may tous con-tribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was pr judiced signist them for how hole the benefit of others. I do this the more readily in regard to Hoofland's forman Bitters, prepared by Dr. C. M. Jackson, of this city, because I was pr judiced signist them for hong to the benefit of others. I do this the more readily in regard to Hoofland's forman general the second the second the second of this city because I was pr judiced signist them for how alonholic mixture. I am indebted to my friend, Rol ert Sboemaker, E.q., for the removal of this prejudice by pioper tests, and for encourage-ment to try then, when suffering from great and hog continued debility. The use of three bottles of these bitters at the beginning of the present year, was followed by evident relief and restoration to a degr e of bodi y and met tal vigor which I had not felt for six months before, and had almost despared of regaining. I therefore thank God and my friend in the the use of them. NEWTON BROWN, Philad'a. From the Rev. Jos. H. Kennard, Pastor of the 10th

Dr. Jackson:-Dear Sit:-I have been frequently requisted to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and pericularly in my family, of the use-fulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my fail conviction that, for general debiting of the system and especially for Liver Campleins, it is a soft and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial
