From the Rev. Levi G. Beck. Pastor of the Bap-

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to mainly others, and know that they have operated in a strikingly beneficial manner. I take pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowning from experience that my recommendation will be introduced into the control of the series of that?

To every family is becoming im 5 this fast being introduced into the land. The control of the series of the land. The control of the series of the land. The control of the series of the land. The control of the land. The ing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly,

LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Keligious Knowledge, and Chris-tian Chronicle, Philadelphia.

tian Chronicle, Philadelphia.

Although not disposed to lavor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus con-tribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was pr judiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am ind-bted to my friend, Rolert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these butters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodiy and mertal vigor which I had not felt-for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN, Philad'a.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church.
Dr. Jackson: —Dear Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the use-fulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my tull conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully, J. H. KENNARD. Eighth below Coates st., Phil'a. From Rev. Warren Randolph, Partor of the Baptist Church, Germantown, Penn.

Dr. C. M. Jackson: — Dear Sir: — Personal experi-

ence enables me to say that I regard the German Bitters prepared by you as a most excellent redi-cine. In cases of severe cold and general debility have been greatly benefited by the use of the Bit fers, and doubt not they will produce similar effects on others. Yours truly, WARREN RANDOLPH, Germantown, Pa.

FOUTZ'S CELEBRATED HORSE AND CATTLE

POWDERS.

THESE Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from the fact that they are composed of medicines rhat have Laxative, Tonic and Purifying properties The laxative ejects crudities from the stomach and intestines, the tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the tounda-tion for a vigorous and healthy circulation.

The use of them improves the wind, stiengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble These powders are not intended, as most
