friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encourage-ment to try them, when suffering from great and long continued debility. The use of three bottles of these bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodity and mertal vicor which I bed as degr-e of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN, Philad'a.

Baptist Church. Dr. Jackson :--- Dear Sir :--- I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various all cases decided; but with a clear proof in various instances, and particularly in my family, of the use-fulness of Dr. Hoofland's German Bitters, I depart toiness of Dr. noonand's German Bitters, I depart for once from my usual course, to express my tull conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause. Yours, very respectfully, J. H. KENNARD. Eighth below Coates st., Phil's.
