ness, Involuntary Seminal Losses, impotency, Mental and physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by self-indulgence or sexual extravagance.

"The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use or internal medicine or the application of the knife—pointing out a mode of cure, at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.

THESE Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properies. The laxative ejects crudities from the stomach and intestines, the tonic gives strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a vigorous and healthy circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine.

These powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure prevention of Lung.

A few doses of these powders will remove the worst cough, these powders will remove the worst cough,
