SHRINER'S BALSAMIC COUGH SYRUP.
 For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain and Weakness of the Breast, Difficulty of Breathing, &c.
 THIS is a new remedy. It is efficacious for a number of years in Maryland and parts of Pennsylvania, and has wherever known, acquired an unprecedented reputation for curing the various diseases for which it is recommended.
 So apparent is its usefulness, and so remarkable has been its cures, that it is fast superseding every other remedy for those diseases. The afflicted can rely upon it doing as much for them, and in many cases more than any other remedy now before the public.
 It is recommended and prescribed in the practice of a large number of the most intelligent and able physicians of Maryland. It is used and considered an indispensable household remedy by a large portion of the first families of the State.
 It is used by all classes of society, and the universal opinion is that it is good. This Syrup is purely Vegetable Compound. It is pleasant to take, and never does injury. But owing to its purifying qualities, must do good under any circumstances. It is efficacious in all cases of Croup, Whooping Cough, and all other pulmonary affections, and is a most powerful, soothing, calming, and allaying the most violent coughs, purifying, strengthening and invigorating the whole system, calming and soothing the nerves; aiding and facilitating expectoration, and healing the BRONCHIAL LUNGS.
 Thus striking at the root of disease, and driving it from the system.
 This disease is announced by difficulty of breathing, shortness of breathing, wheezing, hacking cough and threatened suffocation, &c. It mostly occurs in young children. No child need die of croup if this Syrup is properly used and used in time. Mothers having croupy children should watch the first show of the disease, and always keep this remedy at hand. For coughs after measles this Syrup is most excellent. Experience has proven that it is equalled by no other preparation.
 The price of the remedy is such as to place it within the reach of all, the poor as well as the rich, and every person should have it in the house. It is a true and faithful friend to all who value health and wish to secure themselves against that most terrible disease, consumption. It is the most useful, as well as the cheapest family medicine in the world. It has been used for the last four years with a success without a parallel.
 Price 40 cents per bottle, or six bottles for \$1.00. Prepared by S. A. FOUTZ & Bro., 127 Bowery, New York, and by Druggists, Bedford, Pa., December 18, 1863.—1y.

 The Rev. Jacob Sechler. Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted.
 HANOVER, Pa., Feb. 16, 1859.
 Dear Sir:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me great pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have in my individual case, made frequent use of your valuable medicine, and have always been benefited by it.
 JACOB SECHLER.
 From Jesse Smith, Esq., President of the Morris County Bank, Morristown, New Jersey.
 "Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure to recommend it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocuous, and may be taken with perfect safety by the most delicate in health.
 From Hon. John E. Smith, a Distinguished Lawyer in Westminster, Md.
 I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.
 The Balsam has also been used with excellent effect by J. B. ELLIOTT, Merchant, Hall's Cross Roads, Md.
