SHRINER'S BALSMIC COUGH SYRUP.
For Coughs, Colds, Croup, Whooping Cough, Asthma, Bronchitis, Spitting Blood, Pain and Weakness of the Breast, Difficulty of Breathing, &c.
THIS is no new remedy. It has been used since for a number of years in Maryland and parts of Pennsylvania, and has a long and acquired reputation for curing the various diseases for which it is recommended.
So apparent is its usefulness, and so remarkable has been its cure, that it is fast superseding every other remedy for these diseases. The afflicted can rely upon it doing as much for them, and in many cases more than any other remedy now before the public.

It is recommended and prescribed in the practice of a large number of the most intelligent and able physicians of Maryland, and is used and considered an indispensable household remedy by a large portion of the first families of the State.

It is used by all classes of society, and the universal opinion is that it is good. This Syrup is purely Vegetable Compound. It is pleasant to take, and never does injury. But owing to its purifying qualities, most do good under any circumstances. Its effects are truly wonderful, soothing, calming, and allaying the most violent cough, purifying the system, calming and soothing the nerves; aiding and facilitating expectoration, and healing the diseased LUNGS.

Thus striking at the root of disease, and driving it from the system.

This disease is announced by difficulty of breathing, shrill whistling or wheezing, hacking cough and threatened suffocation, &c. It is most common in young children. No child is so liable to this disease. Mothers having croupy children should watch the first show of the disease, and always keep this remedy at hand. For coughs after measles this Syrup is especially valuable. Experience has proven that it is equalled by no other preparation.

The price of the remedy is such as to place it within the reach of all, the poor as well as the rich, and every friend to human life. It is true and faithful medicine in all who value health and wish to secure themselves against that most terrible disease, consumption. It will be found the most useful as well as the cheapest family medicine in the world. It has been used for the last four years with a success without a parallel. Price 40 cents per bottle, or three bottles for \$1.00. Prepared by S. A. FOUTZ & Co., for sale by H. C. Reamer and B. F. Barry, Bedford, Pa., December 18, 1863—1y.

SHRINER'S INDIAN VERNIFUGE.
SINCE the introduction of this beautiful preparation, it has been steadily advancing in popularity. Its astonishing efficacy in expelling worms has won for it many friends wherever known, and these are speaking in glowing praise of its merits, so that it is fast being introduced into every family in the land. TO DESTROY WORMS! Make it your business to keep a bottle of this worm-fugue at all times. It is an entirely Vegetable—Perfectly Safe and Harmless.

And has never been known to fail to expel worms, where worms existed. The proprietors boldly assert that it is superior to any other preparation in the world.

RHEUMATISM.

There is nothing in the world so sure and so good to take away hard corns, and cure Blisters or Fungus on the feet. Try it and satisfy yourselves. Price 25 and 50 cents per bottle. Prepared by S. A. FOUTZ, Westminister, Md.

FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.
THESE Powders have proved, after a trial of several years, to be superior to any preparation of the kind in use. The chief superiority of these Powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properties. The laxative effects cruditie the system, loosen the bowels, and give strength to the system of the Horse, and the purifying medicines contained in them cleanse the blood, and lay the foundation for a vigorous and healthy circulation. The use of them improves the mind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

These powders are not intended, as most powders are, to bleed the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health.

These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Shivering Cough, Fever, Loss of Appetite and Vital Energy, &c.—These Powders are used two or three times a week, through the winter and spring, your horse will never get the Lung Fever, Croup or Botts. A few doses of these powders will remove the worst cough, and a few of these powders every year, if they might save the lives of many valuable horses.

MILCH COWS.
The properties this powder possesses in increasing the quantity of milk in cows, gives it an importance and value which should place it in the hands of every person keeping a cow. In fact, it gives them an appetite, loosens their hides, and makes them thrive much faster.

HOGS.
In all diseases of swine, as coughs, ulcers in the lungs and liver, &c., by putting from half a paper to a paper of these powders in a barrel of swill, the hog disease can be cured or entirely prevented. By using the powder the hog cholera can be prevented. Prepared by S. A. FOUTZ, Westminister, Md.

IMPORTANT TO ALL INVALIDS.
IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the Vital Principle of Life. Element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stultify the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

Iron as a Medicine
is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP
is a PROTECTED solution of the PROTOXYDE OF IRON. A NEW DISCOVERY IN MEDICINE, that strikes at the root of disease by supplying the blood with its Vital Principle or Life Element—Iron.

THE PERUVIAN SYRUP
Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP
Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

THE PERUVIAN SYRUP
Cures Chronic Diarrhoea, Scrofula, Boils, Scoury, Loss of Constitutional Vigor.

THE PERUVIAN SYRUP
Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP
is a Specific for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System.
