-DIED-

SLEEK.—Maggie E., daughter of Samuel M. and Ann Sleek, departed this life, Oct 18, aged 17 years, 8 months and 17 days. She embraced religion in December, 1861, and joined the Mathodist church She was punctual in attending her class, Sabbath school and church. She will be missed very much at home and in the social circle. She was always kind and affactionate. When about lying, she called her friends to the bedside and bade them all farewell, telling them they should all meet her in heaven for she was going home to die no more. The ter. mination of such a life, could not be otherwise than peaceful and happy; and therefore, we say, "Biessed are t'e dead which die in the Lord from henceforth : Yen, saith the spirit, that may rest from their labors; and their works do

From Emery Edes, a well-known merchant of Oxford,
Maine.
"I have sold large quantities of your Sansararilla,
but never yet one bottle which failed of the desired effect
and full satisfaction to those who took it. As fact as our
people try it, they agree there has been no medicine like it
before in our community."

Nashua, N. H.

"I had for several years a very troublesome humor in
my face, which grew constantly worse until it disfigured
my features and became an intolerable affliction. I tried
almost every thing a must coul of both advice and medicine, but without any relief whatever, until I took your
SARSARAHILLA. It immediately made my face worse, as
you told me it might for a time; but in a few weeks the
new skin began to form under the blothes, and continued until my face is as smooth as any body's, and I
am without any symptoms of the disease that I know of,
I enjoy perfect health, and without a doubt owe it to your
SARSARAHILLA. "

"For twelve years, I had the yellow Frysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and sook hundreds of dollars worth of medicines. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this commonity, and exertes the wonder of all."

Et. Anthony's Fire, Boss, Selt Rheum, Soald Head, Sore Eyes,

From Harvey Sickler, Esq., the able editor of the Tunkhumock Democrat, Fernandemia.

"Our only child, about three years of age, was attecked by pimples on his forchead. They rapidly spread
until they formed a loath-some and virulent sore, which
covered his face, and actually blinded his eyes for some
days. A skilfel physician applied nitrate of silver and
other remethes, without any apparent effect. For fifteen
days we guarded his hands, lest with them he should
tear open the festering and corrupt womad which covered
his whole face. Having tried every thing the we had
any hoje from, we began giving your SARSAPARILA,
and applying the notified of potash lotton, as you direct.
The sore began to lead when we had given the first buttle,
and was well when we had findshed the second. The child's
cyclashes, which had come out, grew again, and he is now
as healthy and fur as any other. The whole neighborhood
predicted that the child must die."

"Dr. Ayeli. My deer Sir: I have found your SarsaPARILLA an excellent remedy for Syphilis, both of the
primary and secondary type, and effectual in some cases
that were too obstinate to yield to other remedies. I do
not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Lien, of New Ernesistick, N. J., had
dreadful lears on the legs, caused by the abuse of mercury,
or mercurial disease, which grew more and more aggravated for years, in splite of every remedy or treatment
that could be applied, until the persevering use of Ayrair's
SARSAPARILLA refleved him. Fow asses can be found
more inveterate and distressing than this, and it took
several dozen bottles to cure him.
