IMPORTANT
TO ALL
INVALIDS.
IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the Vital Principle or Life Element of the blood. This is derived chiefly from the food we eat, but if the food is not properly digested, or if, *from any cause whatever*, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

Iron as a Medicine

is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP

is a PROTECTED solution of the PROTOXIDE OF IRON. A NEW DISCOVERY IN MEDICINE, that strikes at the root of disease by supplying the blood with its *Vital Principle or Life Element—Iron.*

THE PERUVIAN SYRUP

Cures Dyspepsia, Liver Complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP

Infuses strength, vigor, and new life into the system, and builds up an *"Iron Constitution."*

THE PERUVIAN SYRUP

Cures Chronic Diarrhœa, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor.

THE PERUVIAN SYRUP

Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP

is a SPECIFIC for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by *Debility or a Low State of the System.*

Pamphlets containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, will be sent FREE to any address.

THE peculiar taint or infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children unto the third and fourth generation; indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infection, Mercurial Diseases, Female Weaknesses, and indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla*, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S
CHERRY PECTORAL,
The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
