WISTAR'S BALSAM OF WILDCHERRY.

ONE OF THE OLDEST AND MOST RELIABLE REMEDIES IN THE WORLD FOR Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup, and every affection of THE THROAT, LUNGS, AND CHEST, INCLUDING EVEN CONSUMPTION.

WISTAR'S BALSAM OF WILD CHERRY. So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find utterance in the abundant and voluntary testimony of the many who from long suffering and settled disease have by its use been restored to prime vigor and health. We can present a mass of evidence in proof of our assertions, that CANNOT BE DISCREDITED.

The Rev. Jacob Sechler.

Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted:

HANOVER, Pa., Feb. 16, 1859.
Dear Sir—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline and little hopes were entertained for her recovery. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it.

JACOB SECHLER.

From Jesse Smith, Esq., President of the Morris County Bank, Morristown, New Jersey.

"Having used Dr. Wistar's Balsam of Wild Cherry for about fifteen years, and having realized its beneficial results in my family, it affords me great pleasure in recommending it to the public as a valuable remedy in cases of weak lungs, colds, coughs, &c., and a remedy which I consider to be entirely innocent, and may be taken with perfect safety by the most delicate in health."

From Hon. John E. Smith, a Distinguished Lawyer in Westminster, Md.

I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use. The Balsam has been used with excellent effect by J. B. ELLIOTT, Merchant, Hall's Cross Roads, Md.

FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.

THESE Powders have proved, after a trial of several years, to be superior to any other powder of the kind in the world. The superiority of these Powders arises from the fact that they are composed of medicines that have Laxative, Tonic and Purifying properties. The laxative ejects crudities from the stomach and intestines, the tonic gives strength to the system, and the purifying cleanses the blood, and lay the foundation for a vigorous and healthy circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin, thus improving the appearance, vigor and spirit of this noble animal.

These powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but, to remove the disease and promote his general health. These powders will strengthen the stomach and intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distempers, Founder, Heaves, Slaving, Coughs, Fevers, Loss of Appetite and Vital Energy, &c.—These Powders, if used two or three times a week, through the winter and spring, your horse will never get the Lung Fever, Colic or Botts. A few doses of these powders will remove the worst cough, on any horse. Were owners of horses to lead a few of these powders every year, they would save the lives of many valuable horses.

MILCH COWS.

The Properties of this powder possess in increasing the quantity of milk cows, gives it an importance and value which should place it in the hands of every person keeping a cow. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS.

In all diseases of swine, as coughs, ulcers in the lungs and liver, &c., by putting from half a paper to a paper of these powders in a barrel of swill, the above diseases can be cured or entirely prevented. By using these powders the hog cholera can be prevented. Prepared by S. A. FOUTZ, Westminster, Md. For sale at the Drug Stores of Reamer and Harry, Bedford, Pa. Dec. 18—1y.
